Hung up His Cane in the Closet. The experience of an Illinois ex-Justice of Supreme Court, eighty-one years of age, with Ripans Tablets goes to show that they are especially beneficial to elderly people. For many years I was troubled with indigestion, sour stomach and sick headaches, to which paralysis added an almost torpid condition of the bowels and a decided lameness of my whole left side, arm and leg. I tried Ripans Tablets and am more than pleased with the results. For months I have had no sour stomach or sick headache, my bowels are regular and my lameness has so far disappeared that I have hung up my cane in the closet and do not use it any more.
