

PATRIOTISM IN GERMANY.

The Pleasant Way in Which the Sentiment is Taught the Youth in School. In Germany they teach patriotism in the popular schools; in England we do not—at any rate, not officially, says the Fall Mail Gazette.

THE PURITAN.

No One Without Doubt the Finest Fighter in the Navy, Her Men and Officers All Agree. One of the warrant officers of the United States monitor Puritan, which is with the blockading squadron off Cuba, gives in a letter to a friend in this city some interesting observations on the Puritan's work, says the New York Sun.

KING AND BRIGAND.

Romantic Adventures of a Caucasian Outlaw and His Sudden Execution. The tribes in the Caucasus have, by their irreconcilable hostility to Russian administration, greatly retarded the progress of civilization and made their country a veritable hotbed of outlaws.

SUCCESS ON THE ROAD.

It is Attained by an Illinois Girl Who Travels for Two Lumber Firms. For nearly six years Miss Fanny Shannon, of Mount Carmel, this state, has been traveling as representative of two Minnesota lumber firms.

KITE FLYING.

A Pleasant Summer Pastime That Has Rendered Invaluable Aid to Science. One of the most noticeable movements of the present time in popular science is kite-flying, while its practice as a pastime is having a large increase.

HER THEORY OFFENSIVE.

She, Thought She Knew All About Bald Heads, But She Didn't. A girl who has theories has made up her mind that of one of them, at least, she will never again speak in public.

RATHER ROUGH SPORT.

How the Hardy Ironworkers Initiate New Hands in the Business. Iron mills are hot places to work in, but the men have lots of fun, with all their hard work, said a retired iron worker to a reporter of the Washington Star.

QUESTIONS OF VERACITY.

It is not wise to accept the assertions of historians as being always beyond question. They have made many errors, Mary of Scotland was not a beautiful woman; Richard III. was not a cripple, and no more is the famous 'Round Tower' anything else but a mill erected by some of the early colonists.

HUNGER STONES.

'Hunger stones' were seen in the Rhine last winter. They appear only when the river is very low, and the date of their appearance is then cut into them. They are believed to forbode a year of bad crops.

RISKS FROM LIGHTNING.

The risk of being struck by lightning is five times greater in the country than in cities, and 20 times greater at sea than on the railway. Allings of Middle-Aged Folks. Physiologists say that of all people in middle life at least one-third have one ear in some degree affected by deafness.

HOSPITAL FOR TREES.

There is a hospital for trees on the banks of the Seine in Paris. Trees which grow sick along the boulevards are taken here to recover. Anthracis in North Carolina. Anthracis coal discovered at historic King's mountain, North Carolina, shows an analysis of 95 per cent of carbon.

FORGOT MOURNING IN CRICKET.

Australia is alleged to take cricket very earnestly. The other day a funeral procession passing through the streets of Sydney stopped and the mourners got out of the coaches to consult a scoring board to see how much was getting on.
