REMARKS BY SENATOR BRYAN

Senator Bryan's remarks were full of interest and of high value. He spoke of the progress of the country and of the progress of the people. He said that the country was in a state of great prosperity and that the people were in a state of great contentment. He said that the government was doing a great deal of good and that the people were very grateful to it. He said that the future of the country was bright and that the people should have confidence in the government.
