CONGRESS. Washington, December 21.—Senate.—The resulted ration of the Pacific Railroad bill was resulted as the special order of the day. Mr. Ward, or feel the advantages of the other professional as the special order of the day. Mr. Ward, or feel the advantages of the other profession in the interprise. Wr. Seward, in an elaborate speech residently of the special committee of the subject in its various phases. The boil reported by the special committee was not, in his judgment, the best that could have been devised in the supported it as the best that could by other than the word of the work, instead of a proceeding it through the intervention of or reportations and companies. The road was even more a political necessity than a commercial advantage. Without it we could be presented in the support of the special of the day of the order of the special of the order of the special of the order of the o and order in our I hoyalty of California might be tested beyon the limits of safety. Without coming to logacity of California might be tested beyond the limits of safety.

Without coming to any v. te on the pending amendments, the Senate, on motion of Mr. Iverson, proceeded, at, 2½ of clock, to hold an Kreentive session.

In the House of Representatives, bills were reported by Mr. Theles, of Mossouri, from the Committee of Waya and Means, making appropriations for the consular and diplomatic expenses of the government and for the upport of the Army: and Mr. Cavanauch, of Minicosia, introduced a bull for the organization of the Territory of Boostah.

The principal business of the day was the consideration of the bulgranting pensions to to the officers and so diers of the way of fell. After minch dayousne, the House adopted a

GENTERIAL INTELLIGENCE.

THE IRISH FILIBUSTEIRS.

Liverool. December 11th.—The English authorities had made quite a number of arrests in Ireland, near Cork, of parties supposed to be connected with a filibustering expedition from the United States, destined for the invasion of Ireland. Considerable excitement exists in Cork in consequence of these rumors and the action of the government.

An invasion from America is fully expected.
