

Profile

Dr. Prem Gupta is one of the leading exponents of 360 degree consulting based on Jyotish Shastra and Vastu Shastra in India. He is an expert practitioner, celebrated speaker, newspaper columnist and contributor to several prominent magazines.

A doctorate in Vastu and Palmistry from Colombo University, Sri Lanka, he has been consulting individuals and businesses for over 30 years. His advice has influenced over 17000 lives and hundreds of businesses.

He enjoys reading the religious and spiritual texts and derives inspiration from these ancient sciences. He is a keen student of astrology, a well-read scholar and a practicing Jyotish and Vastu Shastra consultant. Along with Astrology and Vastu, he also indulges in Numerology, Face Reading, Palmistry, Horoscope Matching and more.

Dr. Prem Gupta believes in aiding people in whichever way one can. He assists a charitable trust 'Sukh Shrusti Sansthan' that undertakes several social services.

His views on Astrology - The Science of Logic and the Logic of Science

Dr. Prem Gupta believes that Astrology, Vastu Shastra and all other such disciplines are very scientific and governed by logical and robust principles of astronomy, mathematics and psychology. He believes that a person is greatly influenced by his own psyche and that one can smartly adapt to the external factors that only need to be understood and adapted to, rather than feared.

He wishes to create a psychologically healthy society because he believes that it is only with complete mental peace, that physical and financial well-being and happiness comes into one's life.
