55 Years Before the Public.  
THE GENUINE  
DR. C. McLANE'S  
LIVER PILLS,  
FOR THE CURE OF  
Hepatitis, or Liver Complaint,  
and all Liver Disorders.

Symptoms of a Diseased Liver.  
DRAIN in the right side, under the edge of the ribs, increases on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulder blade, and it frequently extends to the top of the shoulder, and is sometimes mistaken for rheumatism in the arm.

AGUE AND FEVER.  
Dr. C. McLANE'S LIVER PILLS, IN CASES OF AGUE AND FEVER, when taken with Quinine, are productive of the most happy results. No better cathartic can be used, preparatory to, or after taking Quinine. We would advise the patient to take the pills every morning, for several of the above symptoms attend the disease, but cases where ague and fever have been cured, every remedy has been tried, and the patient has been cured.
