1. After the investigations of Hong Kong Dept. of Health, they confirmed that only two batches of Po Chai Pills are in the recall list. The batch #s are 21217 & 21133. Those two batches were only sold in Hong Kong, Macau and Singapore. None of them are imported to USA.
2. All imported Po Chai Pills with Prince of Peace Ent., Inc. labels are **NOT** in the recall list.
3. All Po Chai Pills with Prince of Peace Enterprises, Inc. labels are legal imports & pass through inspections by the FDA.
4. The U.S. Government did not require recall of Po Chai Pills in the U.S.
5. Being a reliable & reputable distributor, once the Po Chai Pills recall occurred, Prince of Peace immediately assigned UCSF, Dept. of Laboratory Medicine independently test the Po Chai Pills imported from Hong Kong.
6. The UCSF lab test showed that Po Chai Pills distributed by Prince Of Peace Ent., Inc. **DO NOT** contain phenolphthalein and Sibutramine and is **FREE** of any other laxatives and Anorectics.
7. Consumers should pay attention to the labels of Po Chai Pills and make sure they have Prince of Peace Ent., Inc. labels as these products are safe and **NOT** affected by the recall.
8. According to all facts above, retailers should have confidence in the Po Chai Pills with Prince of Peace Inc. labels.
