~ IN TRIBUTE TO ~

*Rabbi Ronald Greenwald*

*Ronald? Few people know him as Ronald, but everyone knows "Ronnie".*

*Ronnie Greenwald has saved Jews from behind the Iron Curtain, from East Germany, and even from Africa. He is a living, one man Chessed organization. In Boro Park, Monsey, Camp Magen Avraham, Camp Sternberg and many, many organizations and institutions, thousands of people owe more than they can ever repay to one hero - Ronnie!*

*It is our privilege to say "Thank You" to this champion of Chessed.*
