O'RIDGE'S BALM OF COLUMBIA, for the restoration and growth of Hair, recommended highly by many of the most respectable people of this and other cities, who have received great benefit from its use.

It prevents the hair from turning grey, makes it soft, pliable and glossy, and in a few weeks all turns from the roots.

For the nursery its excellence is unrivalled (when used with more than half water) for cleansing the head it has been known to cure cradle cap, in a few weeks, luck and glossy; and if but a little inclined to curl makes it curl most beautifully.

It is now in use in many families for 1 to 2 years and is considered without the least money by all persons who have used it, and merchants in all the principal cities of the Union.

NO MERCURY NOR OPIUM.
ABOUT six months ago I had the most severe attack of rheumatism, for which I was confined to several days for a cure, on which they had recourse to the usual remedies, but without success. Some friends from the disease at a venture, as many people do when they are in my case, and some friends and acquaintances, to work at the present time on account of the danger I was in, recommended me to the use of Dr Gridge's Vegetable Elixir, which I accordingly made use of, and I am happy to say that I am entirely restored to my former health. Any one wishing further information concerning me, would be kindly received by
