The Italian Orma,—Despite the extreme inclemency of the weather, manifested in the shape of a pouring rain nearly the entire evening, there was a comparatively find and evening, there was a comparatively find and evening, there was a comparatively find and evening in the Califor Transact. The performance went off admirabily, eliciting the most includes the distribution of the troups. Transact and the complete triumph of the troups. Transact and the evening in about equal proportiess, though Pasavant came in for much occult as the "Lucrefa." The "Marsellitate" was executed by Vargaant, draped in contame as the "Goddess of Liberty," with the finest spirit and success, after which she was called out before the curiain, and thunders of applease. Altocether, the performances were so brilliant that we shall take pleasure in during the reverting to them more fully.—The next performance of the troups will be consequent.
