ADDRENG OF THE ALABAMA NTATE CENTRAL COMMITTEE.

The State Executive Committee of the Constitutional Party of Alabama have issued an address to the people of that State, touching their duty in the present crisis, which we find in the Mobile Times of Sunday last. Among the seventy-three signers thereto, we recognize stances, upon the best information, and whose advice is certain to be regarded by every white citizen of the State, who is opposed to the radical programme, and prefers his own race to that of the neuro.

tee, and after a free and full conference and Adeem and mature consideration, having resolved that it is best for the people of Alabama who are opposed to the Constitution proposed for adoption or rejection at the election to be held on the 4th and 5th of February next, to adstant from voting at said election. And having resonmended the course of action to the people, we deem it due to the great matter in hand and to the people, that we should present a statement of the considerations which have influenced as, and of what we think will be gaited in averting evil and securing good by the policy we advise.
