Ed,

Excellent to see you today to talk about Wikimedia 2013 – it would be excellent to work with you to secure then amazing opportunity for London.

We spoke about how London First members might engage through sponsorship and in-kind support, whether that be around logistics, helping to secure low-cost accommodation (with the help of London's universities) or supplying technology.

I have a number of actions to follow-up on, so will give you a call next week to progress.

Best wishes,

Andrew
