SCHLITZ POWDERS.—The virtues of this celebrated preparation, when carefully and faithfully used, are well known; and it has been proved to be an unprecedented and increasing demand for its use since its discovery. The consequence of this increasing demand has been (of late particularly) a heavy competition in its composition; which, if continued, must destroy its reputation as rapidly as it has been made. Most of the Salitres Powder, manufactured at the works, fall (when used here) to be always fresh and efficacious, and will keep on hand a sufficient quantity to supply the city of New Orleans and its vicinity.
