THE UNION-IT MUST BE PRESERVED. MONDAY MORNING, SEPT. I, 1834.

Lar n esent number completes the seventh volume of r. Just seven years ago, the BEE was establishedwe had aimost said, disheartening circumstances; i its commencement scarcely more than sixty subscriand its progress in public favor was any thing but iging. Our subsequent success has however been asg, far beyond our most sanguine expectations, and than sufficient to comp moute the temporary neglect menced at first. While viewing our present position, and I repress the satisfiction we feel that our labors been so happely crowned; our subscription list now upwards of thirteen hundred subscribers and the we daily receive from the community gives surface of a still greater support. It shall continue as here't ire, our greatest care to merit the partiality led towards us, and the recollection of past favors shall ate us on to renewed exertion. In conclusion, we beg to offer to wor friends and patrons, under a full sense of light of a we owe them, our most sincere and heartfelt.

. corthern mail of Saturday brought us our customary have nothing later from England or France. nce from Spain will be found in our columns.

-' stor Democrat says Dr. Judson has completed na of the Bible in the Burmese language.

In regard to Mr. Robertson's observations respecting the ease with which I could relieve my conscience in declaring null a verbal contract, I could only but wish, that in his framewals he made of men in nine cases out of the removal he would pay a greater attention to the truth of his premise, before he would pay a greater attention to the truth of his premise, before he would pay a greater attention to the truth of his premise, before he would pay a greater attention to the truth of his premise, before he would pay a greater attention to the truth of his premise, before he would pay a greater attention to the truth of his premise, before he would pay a greater attention to the state of the premise. sosculerium. - Cur readers can well remember the hury that was ruised against the president during his first is regardless of their former professions and having the eligibest pretext for their conduct, have been busy in the work of proscription. In particular bears to former acts marked as hithertowith instability and deception.

In particular bears to former acts marked as hithertowith instability and deception.

In particular bears to former acts marked as hithertowith instability and deception.

In particular bears to former acts marked as hithertowith instability and deception.

In particular bears to former acts marked as hithertowith must be decepted as a middle of the United States and to the General Government, I deem it my duty to pronounce of the United States and to the General Government, I deem it my duty to pronounce of the United States and to the General Government, I deem it my duty to pronounce of the United States and to the General Government, I deem it my duty to pronounce of the United States and to the General Government, I deem it my duty to pronounce of the United States and to the Cashom House, to the first the terminal forms and interior of the State, and to use of the United States and to the Cashom House or my determination respecting the different proposals. In the course of my remarks, I observed to hun, that no decision would be made until the next day; and moreover stated to hun, that several proposals lower than his own estimate had hun, that several proposals lower than his own estimate had hun, received by mc. This conversation took place in the presence of Mr. Thos. J. Back, who his on the occasion addressed a note to me (which you will be pleased to publish) and which will corroborate the assertion, that I had not st least, on the 25th promised the contract to Mr. Robertson. With respect to Mr. Robertson' observation, that any political difference of opinion, would have weight over me; it is uncalled for and uncanded, in as much as Mr. Lesseyne, the gentlemen to whom the contract is given, is a decided opponent to the present administration, and that he also, voted in our late State elections for E. D. White, as Governor. It must therefore be evident that the undersigned processing priciples entirely different from those advocated by Mr. Lesseyne, could not have been induced to give him the contract, at least from a similarity of political opinions.

In regard to Mr. Robertson's observations respecting the same with which I could relieve my conscience in declaring the processing approach to the processing the same with which I could relieve my conscience in declaring the process.

NEW-ORLEANS, 30th August, 1331. Doer Sir—
In the "Louisiana Advertiser" of this morning, I observe a statement, sunned William Robertson, in which you are accused of having violated a verteal contract, &c.

Now Sir, I feel myself called up in by a regard to truth, as we las to fulfil a duty each individual owes the community, of which hears a member, to place the following facts bloome the public, in contradiction to the statement before

The chaff reason is the pleatabless of money."
