NEW-ORLEANS BEE.

OFFICIAL GAZETTE OF THE STATE, GENERAL COUNCIL, OF THE FIRST AND THIRD MUNICIPALITIES, PRINTED BY JEROME BAYO:

No. 110, CHARTRES.

N° 197. NEW ORLEANS, WEDNESDAY MORNING, MAY 10, 1837. VOL. X.

TERMS OF THE BEE.

Subscription.—Twelve Dollars for the Daily paper for a year, payable semi-annually in advance. Ten dollars for the tri-weekly country paper, payable one year in advance, where no city reference is given. No subscription will be discontinued until arrearages are settled. In case of discontinuance, one week's notice in writing must be invariably given, previous to the expiration of subscription.

Advertising.—One dollar per square, for the first insertion, and seventy-five cents for each subsequent one. Any number of squares taken for a term at a liberal reduction. Notices from the regular advertising patrons will be charged as a new one. Tales inserted gratis.

Traders, Auctioneers and Ship Brokers.—Merchants and Traders in Foreign and English shoes and Leather for both Indies, Banks, Insurance Offices, and other similar companies, one dollar per square, fifty cents for each subsequent insertion, fifty dollars for English newspaper, or one dollar per square for each insertion. For Auctioneers and Ship Brokers, Eight dollars per square, and Seventy-five dollars for English shoes.

Marriages and Obituary Notices.—Articles call in the usual form, and charged as other matter. Notices of public meetings, benefits, &c. &c. will be charged as other matter. Notices of the first insertion of each new paper, for the first insertion in each paper.

Communications or Advertisements of any personal nature, are considered inadmissible, unless paid for in advance.

All Religious or Charitable notices, will be made to Advertisers, Sheriffs, Register of Wills, Marshals, Coroners, Public Boards, and Corporations, Auctioneers, Ship Brokers, and Notaries Public, and Commissioners of Deeds, and Physicians, and Surgeons, and Dentists, and Druggists, and Apothecaries, and Chemists, and Opticians, and Instrument Makers, and Piano Forte Makers, and Professors of Music, and Professors of Languages, and Professors of Physics and Chemistry, and Professors of Astronomy, and Professors of Natural Philosophy, and Professors of Mathematics, and Professors of Engineering, and Professors of Architecture, and Professors of Drawing, and Professors of Painting, and Professors of Sculpture, and Professors of Dancing, and Professors of Fencing, and Professors of Gymnastics, and Professors of Riding, and Professors of Swimming, and Professors of Skating, and Professors of Rowing, and Professors of Sailing, and Professors of Navigation, and Professors of Astronomy, and Professors of Geography, and Professors of History, and Professors of Chronology, and Professors of Antiquities, and Professors of Geology, and Professors of Mineralogy, and Professors of Botany, and Professors of Zoology, and Professors of Anatomy, and Professors of Physiology, and Professors of Pathology, and Professors of Medicine, and Professors of Surgery, and Professors of Midwifery, and Professors of Obstetrics, and Professors of Diseases of Women and Children, and Professors of Diseases of the Eye, and Professors of Diseases of the Ear, and Professors of Diseases of the Skin, and Professors of Diseases of the Nervous System, and Professors of Diseases of the Mind, and Professors of Diseases of the Heart, and Professors of Diseases of the Lungs, and Professors of Diseases of the Liver, and Professors of Diseases of the Kidneys, and Professors of Diseases of the Bladder, and Professors of Diseases of the Urethra, and Professors of Diseases of the Prostate Gland, and Professors of Diseases of the Testicles, and Professors of Diseases of the Penis, and Professors of Diseases of the Scrotum, and Professors of Diseases of the Spermatic Cord, and Professors of Diseases of the Uterus, and Professors of Diseases of the Vagina, and Professors of Diseases of the Ovaries, and Professors of Diseases of the Fallopian Tubes, and Professors of Diseases of the Mammary Glands, and Professors of Diseases of the Nipples, and Professors of Diseases of the Breasts, and Professors of Diseases of the Abdomen, and Professors of Diseases of the Stomach, and Professors of Diseases of the Intestines, and Professors of Diseases of the Rectum, and Professors of Diseases of the Anus, and Professors of Diseases of the Liver, and Professors of Diseases of the Spleen, and Professors of Diseases of the Pancreas
