

Generic Wikipedia article

Lead section with language and content problems.

! Warning that the article is not neutral.

Sign with warning that the article is of low quality and asking you to help improve it.

Confusing lead section that only explains the parts of the subject. The language is ungrammatical or contains typos.

Table of contents

- 1.1 ...
- 1.2 Criticism
- 1.3 Other criticism
- 2.1 Specific history
- 4.1 External links

Table of contents that seem to miss several important aspects of the subject – and that shows bias.

Biased text with weasel words or other style problems.

First aspect of subject
Great! Some people think that this is really good.

References
Few references, perhaps pointing to personal blogs or the user's own books. Or no sources at all.

References are made to good sources.
