DFTOR 73 CHAPTERS STREET.

If the state of t

system falls to the ground and the people are at the mercy of a single will. And the party which plunges the nation into this confusion and amerchy, is the same which is continually

quoting that inches of the Constitution which provides that "Congress shall gearantee to each State in the Union a republican form of Government. That party is the very first in the history of the Union to sacrifice republican principles to a military idol. It is true that the Military Appropriation Bill of March FORTY FIRST DAT—JANUARY 17, 1898.

The Convention met at 11 o'clock, A. M.—President Tallaferro in the chair, and eighty members present. Minutes of previous day approved.

The special committee appointed to investigate the detailed report of the Committee on Consingent Expenses reported, in substance, as follows:

That exorbitant prices had been paid for stationery and other articles—for instance, \$20 for a copy of Webster's Dictionary, stually sold at \$10 and \$12; and other purchases in proportion The committee, therefore, offer the following resolutions, embodying the results of their investigations: that the Military Appropriation Bill of March and the Constitution to the Diplomatic History of The Constitutions to the Diplomatic History of The Constitutions to the Diplomatic History of The Constitutions believe to the March and the New York Const. which pays a well deserved tribute to our distinguished fellow critism. How Pierre Soulé, and the other seagences men of the South, who were prescient country to see, and houset enough to tell the people of the disasters sure to follow upon their enough to see, and houset enough to tell the people of the disasters sure to follow upon their enough to see, and houset enough to tell the people of the disasters sure to follow upon their enough to see, and houset enough to tell the people of the disasters sure to follow upon their enough to see, and houset enough to tell the people of the disasters sure to follow upon their enough to see, and houset enough to tell the point of the Senate, but the substitution to the Executive, and thus the country has been suspended on the point with the point of the sixth chapter, published in the Country has been suspended on the point of the sixth chapter, published in the Country has been suspended on the point of the sixth chapter, published in the Country has been suspended on the point of the sixth chapter, published in the Country has been suspended on the point of the sixth chapter, published in the Country has been suspended on the point of the Senate Senate that the Military Appropriation is the March and the March and the substitution of the Army should neither be removed, enspended on the previous country and the substitution of the Army should neither be removed, unspended that the March and the substitution of the Army should neither that the March and the substitution of the Army should neither than the March and the substitution of the Army should neither than the substitution of the Army should neither than the substitution of the Army should neither that the substitution of the Army should neither than the substitut But the nation has been suspended on the point of a single aword, and now, should the present bill become a law, General Grant, were it to minister to his political aspirations, might cease to be restrained from exercising the power

ders he may think proper to issue through other channels than the War Department, and this it is perhaps competent for him to do. How they are to avoid a collision with the President file maintains his authority, and tien. Grant sets with Mr. Stanton, we are at a lose to see.

In placing Mr. Johnson in this quandary, the Radicals relied on his impulsive temper, and they had probably prepared some new project of impeachment, in the event of his allowing his messal to be hurried into some bold act in defined the Racenitive power, but he has seen the smare and will not accommodate his enemies by falling into it. Should the Supreme Court stand from in defence of the Constitution, together with the President they can cut the Gordian kino.

NEW ORLEANS, SATURDAY MORNING, JANUARY 18, 1868.
