## MAJOR PROJECTS FOR SCHOOLS COLLEGES INDUSTRIAL AND COMMERCIAL USE

Sl no	Product	Price (in USD)
1	Touch screen based Home automation system	520
2	Wireless PACE energy transfer	179
3	Industrial automation using touch screen	618
4	Digital notice Board for colleges	248
5	Computer wireless networking	424
6	Security for railway tracks	340
7	Weighing Post work	172
8	Flood GSM notifier	300
9	Wireless notice board	300
10	Vehicle GSM security with GSM ignition	310
11	RFID attendance	250
12	RFID access system	252
13	5 km FM transmitter	100
14	GSM electric meter	450
15	RFID parking	260
16	RFID passport	221
17	Password security with alarm	168
18	Speed checker	208
19	RF based Transformer temperature display	245
20	Smart card security system	238
21	Multiple use Cell phone controlled circuit	94
22	Audio transmitter for TV	189
23	Digital home control	189
24	Wireless home control	304
25	Bank locker extra security	178
26	Light intensity control using PC	159
27	Smart phone based door opening	142
28	Large display for Billing system for PCOs	164
29	Tamper proof energy meter using GSM	305
30	Military type coded message system	265

31	PC based home automation	169
32	Wireless health monitoring to doctor	235
33	Parallel phones privacy maintainer	153
34	TV remote mouse for PC	173
35	Door opener for malls	171
36	Automatic railway gate operation by GSM	329
37	GSM electric meter billing system on day and month basis	343
38	DTMF control of agricultural appliances	202.14
39	GSM circuit breaker	162
40	SVPWM space vector pulse width modulation	575.1
41	Phase checker for 3 phase supply	141.4
42	3 phase from single phase	575.1
43	4 quad operation of motor	179
44	UPF control	75.34
45	Marx generator principle DC voltage multiplier	199
46	Induction heating for medical purpose	74
47	3 phase analyser	215
48	Industrial furnace control	179
49	Starter for 3 phase pump with soft touch	508
50	Industrial automation for repeating work using PLC	237
51	Electronic ckt breaker	183
52	Industrial instantaneous billing system	149
53	Automatic power factor compensation	215
54	Power factor display	206
55	3kv DC output from AC	159
56	Auto selection of available phase	210.8
57	Star delta starter	202
58	Induction motor speed control	202
59	3 phase motor protector	200
60	PWM 300 watt inverter	225
61	H bridge sine wave 300 watt UPS	303
62	IR tachometer	154
63	Industrial battery charger using thyristor Firing control	154
64	Dish positioner	175

65	Panel positioner	146
66	Light dipper for vehicles	169
67	PWM based control of street lamps	199
68	Auto irrigation using MC	165
69	Solar irrigation system	242
70	TV remote control of appliances	182
71	Ultrasonic based toxic chemical level detector	155
72	Ultrasonic missile detector	160
73	Speed measurement using HALL effect	165
74	Bomb disposing robot controlled wirelessly	500
75	Cell phone operated robot	300
76	Land mine sensor robot	300
77	Fire extinguishing robot	400
78	Laser guided robot	200
79	IR guide robot	260
80	Line following robot	127
81	SPYBOT	500
82	Obstacle avoiding robot	320
83	Pre Stampede alert system in pilgrim centers	200
84	Cell phone detector	70

●**Payment Method** : Payment through cash in person

or

cheque drawn in favour of Rohan B Rebello {add USD 5 in case of banks other than State Bank of India /State Bank Group Banks }
