THE DAY SHOWS FIGURE (A.M. E. C. 1985.)

THE DAY SHOWS FIGURE (A.M. E. C. 1985.)

A reason occurred on on proceedings of the injustice of

of the State should be protracted until the year in fact be the case by rejecting this resolution. As, how Bonds at such periods prior to said year, as they withdraw it. may judge expedient. The motive for recommandhousions are entertained that these Bonds cannot was not finally disposed of when the house adjourned. be paid at the time when they are at present payable; but because it is believed that by defering this payment with the consent of the lenders, lar profits would be secured, and because by windrawing this capital gradually from circula tion, this withdrawal will be less sensibly felt by the commercial and agricultural interests of the Although in the opinion of some, the Board are

or the art was a more play in the content between him and the competitors been referred to the people will disting from the beauting from the feelings of the people of this state in regard to the prominent set of the present administration, does that crommstance preclude the possibility of any subsequent, revolution in their sentiment, which had be content as the first spon the serious procession, and present active the possibility of any subsequent, revolution in their sentiments, which not possible processing the propose during the content between the possibility of any subsequent, revolution in their sentiments, which would justify the processing the propose during the measure whose possible processing the propose during the sentiments and for system of extended on, have been approbated by them. The Wing refers with a great show of calibration to the treated in the feelings of an assistance of the possibility of any subsequent, revolution in their sentiments, which would justify the processing the propose during the content was at two discovered and processing the propose during the content was at two discovered and processing and professional proposes during the whole content. Our springed cities are an apprehensive least the fail crain predicted in the senter of a structural possible proposed on the processing of the propose during the whole content. Our springed cities are an apprehensive least the fail crain predicted in the senter of a structural possible proposed on the processing of the propose during the whole content. Our springed cities are an apprehensive least the fail crain predicted in the senter where the proposed content and and apprehensive lest the fatal crisis predicted in the senate chamber would overwhelm them all in one general ruin were induced to succumb to an institution which they defeated but feared, and to join its ranks for the purpose of the year, has not been made since 1831, and is served to the purpose of the year, has not been made since 1831, and is were induced to succumb to an institution which they defeated but feared, and to join its ranks for the purpose of reing the president to a re-charter. These facts are too well understood in this community to be enlarged upon, and therefore, assuming the premises of the Whig to be well 'counded, we contend that popular opinion at this moment justified the selection which our legislature have made of a senator. Of this, in the obsence of any positive in struction, the representative had the right to judge, he is not to represent the feelings of his constituents six months ago, but the feelings of his constituents at the time he gives his vote. But, independent of this, and assuming the reverse of the proposition we have just lad down, we feel prepared to show, that taking the July election as the basis of public opinion, as unfavorable as it was from the circumstance, a 'Inded to, still the election of a Jackson senator is not in observe, that taking the July election of the public repairment, but in accordance with it. The opposition charge some three or four members (if we are mistaken we beg to be corrected) with having played false, and set at manght the will of the people. One or two of those stigmatized in this way, we believe are of the city delegation, one from the parish of the proposition charge some three or four members (if we are mistaken we beg to be corrected) with having played false, and set at manght the will of the people. One or two of those stigmatized in this way, we believe are of the city delegation, one from the parish of the proposition charge some three or four members (if we are mistaken we beg to be corrected) with having played false, and set at maght the will of the people. One or two of these stigmatized in this way, we believe are of the city of the proposition of the public repairs and the allowing played to the serious of the proposition of the public repairs and the allowing played to the serious of the proposition of the public repairs and the allowing played to the serious o they were both placed on the whig ticket, have voted for one of the anti-Jackson candidates for senator, how would the colings actuated Mr. Tenney a senator, and Mr. Richards a member of the house, both of whom are from districts in which the Jackson party are dominant. We have found no fault with either of those gentlemen for their votes. against us. We have not accused them of betraying the manded. known wishes of their constituents, and we only now

conal vote to theirs in the house, we think it no more than hat that we should have one of the two senators to congress. It is therefore perfect in'lly, under these eircumstances, for the Whig or its co-adjutors to be making sp'utter about the result, or to be whining about our having obtained a surreptitious victory.

### NORTH CAROLINA.

The resolutions to instruct Mr. Mangum, which we men-

Mr. Benton, from the committee on military affairs.

Mr. Waggeman brought f rward a bill for un appropris tion to finish the erection of the barrreks at New-Orleans.

After some opposition on the part of Mr. Benton,

1818, and that the Board should be authorized to ever, it appeared that it was likely to consume much time. ranke partial payment of the remainder of the and appeared to encounter so much opposition, he would

Mr. Editor.

Mr. Editor,
With your permission we will continue our remarks on the
Cerps Dramatique.
He accome This lady is doubtless a favorite with the andience. Her judicess acting, chaste reading, and correct
taste must always be admited. She has had experience
on the stage, and a scere of years ago ranked as the first in
her profession. But we are under an epinien that if she
would limit hercelf to characters somewhat older than she

press his opinion in the Council."

Page Nev 26.—We can announce, that Admiral Duperre

and an august personage, are already in difficulty in regard to the twenty-five million treaty.

Passa Dec 2.—The Minister has not fulfilled to-day the

anded.
After keeping the Chamber a long time in suspense, the After keeping the Chamber a long time in suspense, the minister of the subject to show that if the opposition have lost two or three votes upon their side, they have gained as searchy upon our side, and that therefore we should be at quits. Let the opposition therefore take this matter as they please; let them consider it in either of the lights we have presented at to them, still they have nothing to complain of. With a positive majority of one in the senate, and with an interior fortunes, and who announced that they would the fortunes and who have resolved to attach a majority fortunes, and who announced that they would the fortunes and who announced that they would the fortunes and who announced that they would the fortunes and who announced that they would the senate of the interior asks an appropriation of 356,000 frs, only, for the construction of a Hall of Audience to the Minister of the interior asks an appropriation of 356,000 frs, only, for the construction of a Hall of Audience to the Minister of the interior asks an appropriation of 356,000 frs, only, for the construction of a Hall of Audience to the Minister of the interior asks an appropriation of 356,000 frs, only, for the construction of a Hall of Audience to the Minister of the interior asks an appropriation of 356,000 frs, only, for the construction of a Hall of Audience to the Minister of the interior asks an appropriation of 356,000 frs, only, for the construction of a Hall of Audience to the Minister of the interior asks an appropriation of 356,000 frs, only, for the construction of a Hall of Audience to the Minister of the interior asks an appropriation of 356,000 frs, only, for the construction of a Hall of Audience to the Minister of the interior asks an appropriation of 356,000 frs, only, for the construction of a Hall of Audience to the Minister of the interior asks an appropriation of 356,000 frs, only, for the construction of a Hall of Audience to the Minister of the interior only, for the construction of a Hall of Audience to the Mi rity to their fortunes, and who announced that they would only accept office on certain conditions? We think all this management will be usefore. If it is a trick to recure a ma-jority, the explanations must come as lest.— Temps. UNITED STATES SENATE.

Let those who enlogies this body as a pure and august assemblage of grave and revered seniors, examine the late organization of its committees, and then say, if they can, whether that organization argues any thing in favor of justice, its impartiality and its moderation ?— The resolutions to instruct Mr. Mangum, which we mentioned as having passed the the Lower House of the North Caroline Legislature, have also passed the Senate by a management of the North Caroline Legislature, have also passed the Senate by a management of the North Caroline Legislature, have also passed the Senate by a management of the North Caroline Legislature, have also passed the Senate by a management of the North Caroline Legislature, have also passed the Senate by a management of the North Caroline Legislature, have also passed the Senate by a management of the North Caroline Legislature, with corresponding dates from other chairman those who are not only heatile to the administration, but bitterly opposed to its measures. The opposition Senates, in their parties are the President and the senature the President and the senature of the committee provincial to the senate of the committee provincial to the senate of the committee provincial to the senate of the committee provincial to the senature of the committee of Furging Relations, Finance, Commerce, Naval Affairs, on the Judiciary,—all have for their classification, but the Judiciary,—all have for their classification, but the measures the President with the measures the President and the Judiciary,—all have for their classification, but the Manguement of the Committee of Furging Relations, Finance, Commerce, Naval Affairs, and the Judiciary,—all have for their classification, Finance, Commerce, Naval Affairs, and the Judiciary,—all have for their classification, Finance, Commerce, a management of the Judiciary,—all have for their classification, with the Judiciary,—all have for their classification, and the Judiciary,—all have for their classification, Finance, Commerce, a management of the previous the Judiciary,—all have for their classification, Finance, Commerce, a management of the measures. The opposition the senate is not classed to the measures of the committee of Furging Relation, Finance, Commerce, and a mission of the measures of the comm

consumers nor speculators making any purchases. Yes-terday a ship from Bombay 2300 bales Surah cotton and two vessels from Brazil brought 3500 bags. Nothing is more certain than that these prices will bring forward supplies and check con-umption, and we have therefore no hesitation in recommending you and your friends not to wake shipments in the hope of obtaining these prices.

We do not how very expect that cotton will be low; this
year has probably been the most profitable to our spinners that ever occurred, so that they were every where enlarging their mills, but this supposes a moderate and not a LONDON, Nov 28.—Cotton—Good husiness in the early

part of the werk, 400 bales changed hands at 1-4 higher ince, market inanimate.

Last evening by the Rev. Dr. Clapp, Mr. Thomas Savass Miss Eliza Ame Davement, both of this city.
