The state of the properties of

The Stave Querrion—It is wonderful to think of the shathy with which the important question of Slavery in the diarrier is regarded by those who are the most immediately likely to be affected by it. At one time the proposition to aboush the slave trade, or interfere in any way with the relation of master and slave, would have been likely to have energed gatter.

In 1720, two physicians, named Mead

replied the prostrate. Woodward.
