OITY INTELLIGENCE.

Buse Ball Vote.-The following is the re ult of the balloting for the silver mou oali bat, at the St. John's Fair :

One of the Election Case.—Mr. Chas. Cavenac, one of the Commissioners of Election in the Fourth Ward, who was imprisoned at the day of election by order of U. S. Commissioners Shannon, and released by order of Gen. Buchanna, appeared this morning before the Commissioner, to answer to charges of interfering with freedome in their right of suffrage, etc. Durant DaPonta, Eq., appeared as counsel for the accused, and R. King Cutler for the prosecution. The defence assumed that the Commissioner had no jurisdiction in the case, the prosecution asserting that he had. The Commissioner agreeing with the prosecution, the defence walved an examination, and the case was sent, at their request, before the United States District Court.

**Marson Man.—The following is a copy of a second of the case was sent, at their request, before the United States.

Missing Man.—The following is a copy of short, left his employment at the U. B. London, hart, left his employment at the U. B. London, hart, left his employment at the U. B. London, hart, left his employment at the fill time be his not been brand of. He was, at the time he helf, and had been for some time previous, laboring under the impression that some persons were conspiring to kill him Should his body be found, please notify Capt Kingsburg, at the office of the Lighthouse Department, or Chia. Ogilvie, corner of St. Andrew and Laurel Chaz. Ogilvie, corner of St. Andrew and Laurel Chaz. Ogilvie, corner of St. Andrew and Laurel Chaz. Ogilvie, corner of St. Andrew and Laurel of the Chaz. Justice of the Pears, has been somewhat autoniabed in the last few days by an accumulation of write in arrest of ortioner in the case of the fire on Dryades street, in the confectionery and rum shop of Mr. Manester, partially destroyed by fire some time since, under circumstances.

A Script of Techs

Two bounded and five freedmen, of the fire on Dryades street, in the confectionery and rum shop of Mr. Manester, partially destroyed by fire some time since, under circumstances.

A Script of Techs

Two bounded and five freedmen, of the fire for the fire freedmen, of the fire fire freedmen, of the fire for the fire freedmen, of the fi

three in number, are sued from the id District Court, and the object was to restrain said Jan to from taking further suidence regarding the origin of said fire. The write Centrum's and Januard "Probibition." Certurn's and "Mandamar," and are siented at the instance of January and the second of January and are siented at the instance of January and the procession of the statute law of 1855, relative to evidence. See 1 Mr. Collens has bed the pre-eminent distinction of having been singled out of the parochial best ch, which during his term has been adorned by many older men than himself, by the Board of Underwiters to investigate the almost multi-tindinous cases of suspected areas, which have for the per few mouthes os sublified and autonished our best and most worthy citizens, and well, carefully, and faitfully has be performed that dairy. The present attack upon the integrity and saffulness of Mr. Collens as administrator of public justice will not have the effect desired by those who are the investigators of this proceeding.

Judge Emeron has taken the case under advisement.

visement.

Bucyktrona: Attempt Foiled — On Monday morning about half-part 3 o'clock the place of Richard Baratan, at the corner of Basin and Poydras areate, was opened by two negroes armed with deadly weapons. The barkeeper was aroused by their boise, and, in attempting to shoot one of the burglars with a pistol, shot the end of his own thumb off. The negroes wamesed the ranche, but we understand that one 3 of them has been arrested nine.

wans, 1-6. F. To bester - Carpo, molesses 6. Trolegion
Schr Natzeler, 18 trolegion. ciples of justice, and has no empaths with the strength at conviction of the President upon a mere technicality.

The Sensie consists of 8fty-four members—two thirds of whom are necessary for conviction. Twelve members of the Sensie being known to have considered there was no ground for ever entering upon the work of impeachment at all—including the democrats, and Messer Doublits, Digon and Norton—it may be assumed will vote against impeachment. This leaves forty-two Republicans, or forty one if Mr. Wade does not vote, as the New York Tricon—say he is expected not to because of the tricon will appear to the Presidency if Mr. Johnson will be acquitted, is our requiring ministens votes for that purpose. The Tribution will be acquitted, it our requiring ministens votes for that purpose. The Tribution in the second of Manne, Anthony and Syrages of Rhode ledand, Sherman of Ohio, Van Winkle and Willey of West Virginis, Fowler of Tennesses, Trombolli of Illinois, Grimes of lows, and Rose of Kansas, who, it says, have been counted on with more or less could ence to vote for acquittal, hough it believes of the ten barely three will vote that way, if so many. It ought to be third off all the believe, however, that two theirs of the the president of high crimes and misdementors in connection with anything that has been charged—Batt Sen. andeles.
