NEW-ORLEANS BEE

OFFICIAL STATE PAPER. BY BULLITT, MAGNE & CO.

"Truth to ammporent, and Public Justice dermin.
FOR GOVERNOR

HENRY JOHNSON.

NEW-WRLEANS: SATURDAY MORNING, MAY 1, 1941.

A most atrocious attempt to set fire to the buildir

try, either from the weakness of the police, the con those causes, appear peculiarly exposed to every spe-cies of rascality and crime. The loss of property in and with only a straggling watchman here and there. mbustible edices, where plunder is most easily ob-

ure of New York, in reference to the capture and etention of McLEon, which grow out of the followng resolution, effered by Mr. Swaughamen, one

That the subject be referred to the committee or tuitelary, with instructions to report a bill provi g for the entry of a nolle prosequion, the indict-nt against Alexander McLeed, an tor his safe con

et charged against McLEOD, and that it the attack

de, and not McLeup, who he alleged was guilty of no crime whatever, "when judged by those high moral principles that constitute the basis of human society."

indeed by those high moral principles that constitute the basis of human society."

"To execute him (asi Mr. H.) would be to string the state with the guitt of murder—to draw down upon us the representes of the criplical world. It would be to invoke the rengrence of Mercean against a properly withheld by Lieut. Hinter of any properly withheld the ourselves of the criplical world. It would be to invoke the rengrence of Mercean against a properly withheld by Lieut. Hinter of any properly withheld the ourselves and the ourselves and the source and the construction of the ward nothing in declaration in the field—if the military force not only of these two miltons of people, but of the sixteen military force not only of these two miltons of people, but of the sixteen military force not work with him." To proceed them with a sefe conduct to his sovereign on our territory, they should not military force not with him. To proceed them with a sefe conduct to his sovereign here. So everige he so soverigh here so everigin he so everige he so everige here. So everige he so everige he so everige here so everiged here. So everiged here so eve
