

### **Dow Technology Co.**

A Value Added Distributor in the UAE, GCC, Middle East, Africa, Europe, and South America that offers a complete line of wireless solutions from top tier manufacturers.

Offers equipment which utilizes both licensed and licensed free bands solutions available for public use i.e. Point to Point back hauls, Point to Multipoint systems, all types of wired and wireless network applications. Dow Technology primarily serves an educational, government, corporate, healthcare, security and consumer markets.

Dear Customer

Please review our Product List which we have it in our Stock

## **Ubiquiti**

Powerful Wireless access point it can provide you the Fast wireless connectivity for your home or Office = **Speed** 150Mps & **Range** 750 Sqmt inside till 150km outside

### **Introducing the Revolutionary**

Ubiquiti Networks innovative broadband wireless solutions, outdoor and indoor wireless products Frequency Freedom technology (100MHz to 10GHz)

**pdfMachine**

**A pdf writer that produces quality PDF files with ease!**

Produce quality PDF files in seconds and preserve the integrity of your original documents. Compatible across nearly all Windows platforms, simply open the document you want to convert, click "print", select the "Broadgun pdfMachine printer" and that's it! Get yours now!

## PowerStation2+ PowerStation5+ NanoStation2+ NanoStation5 +NS Loco2 +NS loco5+NS M2+NS M5

The new Devices take the same concept to the future with new redesigned sleek and elegant form-factors. 100 till 150+ Mbps  
Real outdoor throughput and **up to 75km the range.**

- **Sector Antenna** AirMax 5GHz + 2GHz 2x2 MIMO Antenna, 120 degree, 16dBi Gain +19dBi Gain

- **Omni Antenna** 5GHz + 2GHz 360 degree, 12dBi Gain +15dBi Gain.

- **Dash Antenna** 5GHz + 2GHz, 30dBi Gain +34dBi Gain.

- **Rocket Antenna** M2+ M5 AirMax Base Station.

All have been designed to seamlessly work together, 100 till 150+ Mbps  
Real outdoor throughputs and **up to 75 km the range.**

The new Devices links significantly faster and farther than ever before.

## **GSM Repeaters For Mobile;**

### 1- REMOTEK

### 2- SOPO CIT-08 Model So-R01//SO-R02

### 3- ZECOM ZT-8100G27F

Mobile Phone **Repeater** / Mobile Phone Signal Booster Amplifier / Repeater kit captures and boosts a weak mobile signal through a high gain antenna and amplifier and boosts coverage for areas up to 800 square meters

We are the specialized telecommunication products and we provide signal repeater series, signal booster series, telecom accessories and etc.

pdfMachine

**A pdf writer that produces quality PDF files with ease!**

Produce quality PDF files in seconds and preserve the integrity of your original documents. Compatible across nearly all Windows platforms, simply open the document you want to convert, click "print", select the "Broadgun pdfMachine printer" and that's it! Get yours now!

**Install instruction:** Easy installation (Plug and Play)

1. Outdoor antenna:
2. REPEATER: Install the transmission junction which is from outdoor antenna into REPEATER socket.(TO BS).
3. Connect transmission from REPEATER port to indoor antenna.

Mobile communication repeater works theorem instruction: outdoor antenna receives the mobile communicatroh signal from Launch base station. The signal from outdoor antenna 'transmitted by antenna to launch after amplified by REPEATER signal amplifier. Antenna and amplifier mainframe are both work.
