The Rew Orleans Bee.

OFFICE, 83 CHARTRES ST.

THE DAILY BEE. By Telegraph. WEDNESDAY MORNING, AUG. 11. SUCCESSFULLY LANDED

Every now and then Great Britain catch

A secretary of the recombinantly are produced declarance and the second programs are made to the management of the order to the second and according to the control of the proceeding of the pro

chimerical and impracticable of dams and barriers. They count as nothing compared with the resistless en-ergies of twenty five millions of freemen. We grant that England has a right to defend

those friendly feelings now happily consolidated between the leading power of America and the only free State in Europe. THE ST. LOUIS PRECTION.-The following is Barret Breckinridge. B.a.r Total 17,225
The leaves Barret (20 over Blair, and 1463)
ver Bre-kingdes

over Bre-kinridge.
In the last Congressional election, Blair received 51-6 votes in the city, and 875 in the country -making a whole vote of 6035.

We are of course gratified at the defeat of Blair, who, during his Congressional career, prived himself to be a mean and malignant

age, have been arrested, one of whom is sup-preed to have freed, the pistol. The occasion was a row in the bar-room kept by Mrs. Glark, in which, from what we learn, the b-ys were bested by weveral men, and the pistol shock is supplement to have been intend-ed fir one of them. The boys are Henry Abbright, a eigan-packer; worked for Lash, in Portsmouth; sarje, he has been there two months; has a mighter and younger bresher on Federal Hill, Satisfancey; Andrew Uniton, a printer, and employed at the Mersill', Wan, Gray, a cigar maker; The woman is not ex-pocted to recoves.

Overseen Killen. We learn from the Ablast fifty years, of these facts." erdeen Sunny South that about a week since Mr. Ford, overseer for Mr. John A. Walker, residing about two miles from town, was ence. As Ford entered to get out meat, the negro struck him over the head with a club, fracturing has skulf, and he died ih a few hours. The negro was captured.

fracturing his skull, and he died in a few hours. The negro was capitured;

Discovery in the maintacture of lealer, by the control of the following properties of the following properties of the following the maintacture of lealer, by as many days as it formerly took montia. Leather, it is known, is tormed by the union of gristm, of which the skin is obiely composed, and fanne, a substance found in the bark of the took, hemicok and birch, and in a few shrubs like the sunsac, &c. Fortanning purposes immense broadth of creats have almost a substance for the state of the following proposes immense broadth of creats have almost a substance have been tried as substitutes, but without suedess, and tanhers are now obliged to import hemicok from a great distance and at constantly increasing cest. It has recently been discovered, says the factories of the substitutes of the substitute

has elected Barrel, by diverting from Biar has immore opposition vice. We have more distillar to source the same in the distillation of the United States, and meaning of the United States, and meaning are being taken to source the same in Europe.

New Oblights leaves of Company.—It is announced that in future a return premium of fifteen per cent cash will be made to partice incurring in this ecompley.

If PE Institute Company.—This prespective and well-conducted institution announces that hereafter a return premium of fifteen per cent cash will be made to partice incurring in this ecompley.

If PE Institute a Company.—This prespection and well-conducted institution announces that hereafter a return premium of fifteen per cent cash will be paid in cash to partice with the company of the comp in 1859 to 25,952,000.—European Timer.

MELANGHOLY OCCURANCE.—A frightful necidest occurred here on finituday last, about 11½ o'clock, which we regret to eay, terminated fatily. Mrs. Camille Wolski, speak 15 years, wife of Mr. Wolski, teacher of music, who has only been a readednat of our city about six wedles, white engaged in cultive about six wedles, which beapt the unfortunate lady so savely that death put as not to her uniformly in the death put as not one of the languages, and format a tencher of the languages, and format a tencher of the languages, and format a deroted historical and two oblides to mourn her death.—Better Receipt Advocate.

Akthrson; Gunner, Cooper; Salimaker, Jones.

The following officers are ordered to the sloop of war Cyane, fitting for the Pacific Squadron: Commander, Lockwood; Lieuteuants, Bryant, Lowrey, Livingston, MoCartney; Surgeon, Williams; Assistant Surgeon, Lening; Purser, Murray; Master, Buchanan; Acting Boatswain, Brisco; Assistant Gamer, Willett; Carpunter, Knight; Sailmaker, Buutwell.

Commanders Thorburn and Lockwood were affected by the Naval Retiring Board, but afterwards were restored to the active list.

Inarm sy Ykllow Fgyzz.—Philadelphia.

ish, and an address was delivered in both larguages, and an apache Indians, herstofore so hostile to the whites, are now perfectly friendly, and engaged in planting large crops of grain on Benetits river. Travelers and herds pass through their country unmolested.

A large party of Californians who arrived at Albuquerque in the latter part of June have determined to take the 33th parallel to accomplish their journey.

The commercial news is unimportant. Business was dull at Santa Fe, but the prospects of a speedy revival of trade were good.

Science at Appendix—Augusta August 5...
