Orders, } HEAD QUARTERS, NEW ORLEANS, JAN. 21, 1836.

THE services of the troops directed to be organized and held in readiness under the order of the 17th inst are now called for.

Immediate reinforcements are required to repair to the seat of war in Florida.

Such volunteer companies therefore, as are organized for the purpose, and all such persons as desire to offer for the service, will *Rendezvous* at the Barracks of the United States troops in New Orleans, at 11 o'clock A. M. on Wednesday the 3d day of February next, to be inscribed and received into the service of the United States, for a term not exceeding three months.

Arms, equipments and camp equipage will then be furnished to them.

In the mean time those who wish to offer as volunteers will find an opportunity to enrol themselves and all necessary information, at the office of the Adjutant General in the south wing of the State House, New Orleans.

Every day brings more *disastrous news* from our brethern in Florida. Their whole country is laid waste *by the troops who were assembled for its protection.* All detachment has been destroyed; another part *after repulsing* the enemy in a *desperate action* are left, by their severe loss, and the necessary departure of the militia who assisted them, with scarcely force enough to protect themselves; a third cut off by the interposition of the savages, from assistance elsewhere is now at their mercy unless they receive immediate aid by sea.

Under these circumstances an appeal is now made to the patriotism and generosity of Louisiana. Has such an appeal ever been made in vain.—shall it be now! Let the proud denial be shewn in the promptness and zeal with which her sons now take up arms to aid their fellow citizens in danger and carry destruction to their savage foe.

By order of the Commander in Chief.
PERSIFOR F. SMITH,
Adjutant and Inspector General

"Resolution to obtain the establishment of an U S land office at Natchitoches."

"An act to provide for the appointment of additional notaries public in the parishes of Washington, &c."

"An act regulating certain powers granted to the Brigadier General of the state of Louisiana."

The same message informed the senate that he has assented and acquiesced to the report as made by the chairman of the committee with the exception of that part which increases the salaries of district attorneys in the state, his reasons for dissenting from his honorable colleagues,

1st. That in his opinion there is no necessity for such an increase, although perhaps it might be said that the actual salaries of $600 are not a sufficient compensation for the services to be rendered by district attorneys; yet this reporter has thought, and still thinks, that in our actual critical situation, we should be very cautious about our public funds, that a vacancy *never occurs* in the office, but what we see a vast deal of candidates applying for it; from this circumstance your reporter believes that the actual salaries are a sufficient encouragement for applicants, and we ought, in some respect, to act as regards public funds, as we do with our private funds. For these reasons your reporter has dissented, and begs with respect to submit this report.

Signed, ZENON LABAUVE

On motion of Mr Labauve, leave of absence for a few days was granted to Mr Porche.
