

Lan-You Club is composed of students from Yi-Lan and who are interested in Yi-Lan culture or food. We have “Lan-yang Week” every year. We sell Yi-Lan’s famous food such as peanut roll ice cream, rice noodle thick soup, a string of heart, fried vegetables and so on. All the food is homemade by the students from Yi-Lan. We learned the skills from our elders. We guarantee our food sticks to local flavor. You don’t have to go to Yi-Lan to eat our famous food. You can eat it right here in Hsinchu University of Education. Welcome to join us.
