A ran upon the bank was also produced, but without injury to the institution, which paid all derands.

Public meetings were being held for the purpose of encouraging immigration, for the sake of preserving the sugar plantations from utter ruin for the want of labor. In the parish of Vere alone, the loss sustained by planters from that cause is estimated at £130,000. In the legislature, on the 7th ult. £50,000 were voted to be placed at the disposal of the agent general for the purpose of facilitating immigration. The legislature was prorogued on the 11th.
