MEDICAL.

Holloway's Pills, a certain cure for termination of blood to the head. Miss Hope, one of the most celebrated actresses of our profession in the Union, admits that she suffered more than any one for over heard of was from a termination of blood to the head, although he most assiduous both in eating and drinking; also in taking rest, yet he was so bad at times, that in the midst of her most eloquent discourses, he was compelled to leave off addressing his audience, and on several occasions has been carried away from meeting completely speechless; Having seen the good effects of Holloway's Pills, he was induced to give them a trial, and, to his own wonder, they acted like magic. It is four last months ago since he commenced taking this celebrated medicine, which completely cured him in two months. He has not had any return of this complaint since. These Pills are wonderfully efficacious in all disorders of the stomach and bowels.

**SOLD AT THE ESTABLISHMENTS OF PROFESSOR HOLLOWAY, New York and London; also by all respectable Druggists and Medicine Venders throughout the United States, in pots and boxes, at 25 cents, 62½ cents, and $1 each. To be had wholesale of the principal Drug Houses in the Union.

☞ There is a considerable saving by taking the larger sizes.

☞ Directions for the guidance of patients in every disorder are affixed to each Box and Pot.

No longer a Doubt as to the nature of Diseases, or their Successful Treatment.

A New System for curing all Diseases, by an Analysis of the Urine.

THE greater number of maladies are alone incurable from uncertainty as to their true nature; the surest means of ascertaining and curing which is obtained from an analysis of the Urine. By the mode it is impossible to be led astray, and this, we believe, is the chief aim of the discovery.

MR. NADO,

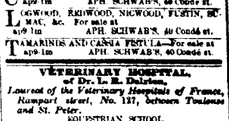
An Elève of the Marine Hospital of France, of Mr. E. Barruel, and Mr. Berlin, Laboratory French Chemist, has just established the Laboratory at No. 57 Bienville, between Chartres and Bienville streets, where, in pursuance of the infallible method he professes, he will soon deserve the confidence of the inhabitants of New Orleans, by the numerous cures effected by such means.

MR. NADO cures all Fluxions, Yellow Fever incident, and, moreover, preserves health, which, as all will fully aware, is also dependent upon the regularity of the functions of the stomach; and for the purpose of arriving at a correct knowledge of the chemical reactions which occur in the organization, and particularly of the metamorphoses undergone by organic matter diffused throughout the body by the action of the functions regulating nutrition, there is no more certain course to be observed than an analysis of the Urine.

The course of treatment and medication followed by so much of the case, the physician of the locality in which he resides, especially in cases of grave illness, are based alone upon the data obtained from an analysis of the Urine. And it thus, that Mr. Nado, Surgeon, even in remote rural districts, persons possessing no other knowledge of the art than that derived from a mechanical examination of the Urine, are miraculously successful in their cures of all maladies.

Note: For the purposes of consultation at the Laboratory, persons calling must bring with them a certain quantity of Urine newly emitted by the sick. Persons residing in the country will, after this week, be treated and cured with the same certainty.

Mr. Nado will also analyze Urine submitted to him by city and country physicians. 6m Saw



AYER'S PILLS.

PILLS THAT ARE PILLS!!

PROFESSOR HAYES, State Chemist, of Massachusetts, says they are the best of all Pills, as attested are the men who certify that Doctor Hayes knows, viz:

H. J. GARDENER, Gov. of Mass.
EMORY WASHBURN, Ex-Gov. of Mass.
SIMEON BROWN, Lieut. Gov. of Mass.
E. W. WRIGHT, Secretary of State of Mass.
JOHN B. FITZPATRICK, Cath. Bishop of Boston.
PROF. JOHN TORREY, of the College of Physicians and Surgeons, New York City.
DR. C. T. JACKSON, Geologist of the Public Lands of the United States.

MEN THAT ARE MEN !!!

Among the diseases that Pill has cured with astonishing rapidity, we may mention
Costiveness, Bilious Complaints, Rheumatism, Dropsy, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels, and pain arising therefrom, Flatulency, Loss of Appetite, all Ulcerous and Cutaneous diseases which require an evacuant Medicine, Scrofula, or King's Evil. They also, by purifying the blood and stimulating the system, remove many Complaints which it would not be supposed they could reach, such as Deafness, Partial Blindness, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body, or obstructions of its functions. They are the best Purifier of Blood ever discovered, and you will not need to see them once to know it.

Prepared by J. C. AYER, Lowell, Mass., and sold by every respectable Druggist in the United States.
