Uniform Flag Law.

The National Conference of Commissioners on Uniform State Laws, at its last Conference, having approved a uniform flag law, inspiring respect to, and punishing desecration of the flag of the United States, Mr. W O. Hart, who was the one to bring the matter to the attention of the Conference, and who succeeded in having a law on the subject passed in this State in 1912, and who acting chairman of the flag committee of the Conference, successfully carried the proposed bill through on the last day of the Conference, has suggested to Commissioner Stewart of the District of Columbia, that Congress should be asked to adopt the law for the District of Columbia. M. Hart is informed by Mrs. E. R. Berry, secretary of the National Association of Patriotic Instructors, that due respect is not paid to the flag at all times. M. Hart is not in favor of a national law on the subject, having some doubt as to its constitutionality, but believes as the Supreme Court of the United States has decided that a State law on the subject is valid, that all the States should adopt the uniform law.
