BEWARE OF COUNTERFEITS. WHEREAS I have lately understood that a certain individual is now preparing and now sending throughout the United States, an imitation of my celebrated Catholicon, purporting to possess the same virtues, and as it is presumed it will be for sale in the city of New-Orleans, the public are particularly cautioned against purchasing it. It is supposed to be similar to the Rob of Affection, or Symp de Cousturier, which contains corrosive sublimate, and calculated to do much mischief. I trust the subscribers will be on their guard against these frauds, and purchase of no other persons but F. P. DUCONGRÉ and MORAN & Co. who are my only authorized agents for New-Orleans, and from whom the Genuine Potter's Catholicon can be had from the Genuine Potter's Catholicon W. M. POTTER, Ninth street, Philadelphia.

UNPRECEDENTED AFFLICTION. JAMES T. COPS, from the Tower of London, and late of New York, begs leave most respectfully to inform the public that he has opened for their inspection his Exhibition of the most rare and beautiful works of the creation, at the corner of Levee and Conti streets, where he hopes to meet with that encouragement so liberally bestowed by a discerning public, on subjects of natural history, amongst which will be found an immense Ammonoite, or ammonite serpent of 4 feet, also the first Centipede, or Strangling serpent of Java, and great flock of birds of Bengal, the oriental Cobra, or Real Diamond serpent of Sanderango, and of those surprising snakes, hyades, or golden headed serpent of Nam and the snake destroyer, the real Egyptian Ichneumon, four of those amazing reptiles of many hues, the Camaleon from Egypt.

POTTER'S CELEBRATED Catholicon. ONLY TWO DOLLARS PER BOTTLE. The component parts of this medicine are purely Vegetable - it is therefore one of the safest in the world. A SOVEREIGN REMEDY in diseases of the liver, ulcerated sore throat, debility resulting from intemperance and dissipation, scrofula and king's evil, old and inveterate ulcers, pains in the bones, rheumatism, dyspepsia, or indigestion, disease of the lungs, syphilis, blotches on the face and skin, itching, swelling of the joints, tetter, mercurial diseases, &c. &c. The certificate of wonderful cures performed by the Catholicon, have become so numerous as to preclude their insertion in any newspaper. The unrivaled and very extensive character which it has enjoyed for the last six years, as a complete renovator, and purifier of the blood and humor, both in hospitals and in private practice, is a substantial basis for its future support. It has obtained its present great distinction by the extraordinary success which has attended it in the healing art, while every avenue and track have been searched in vain for its parallel; its discovery is one of the most sacred boons that can be afforded to the unfortunate martyr of disease, and it is most sincerely hoped that the sympathy of the public will be aroused to the promulgation of its inestimable merits. Proof of the value of Potter's genuine Catholicon - its healing powers: As useful as a general restorer of health; the city of Philadelphia alone could furnish thousands of witnesses, to counteract the base and malicious fabrications which daily emanate from the jealous.
