0602 ACCESSION BONUS

060201. Authorization. The Secretary of the Military Department concerned may pay a Dental Officer Accession Bonus to an individual, who executes a written agreement to serve on active duty for a period of not less than 4 years, which is accepted by the Secretary of the Military Department concerned. The agreement will provide that, consistent with the needs of the Armed Service concerned, the person executing the agreement will be assigned to duty, for the period of obligated service covered by the agreement, as an officer of the Dental Corps of the Army or the Navy or an officer of the Air Force designated as a dental officer.

060202. Amount. The Secretary of the Military Department concerned may award an accession bonus to an eligible individual in an amount not to exceed \$75,000. Eligible individuals who sign a written agreement, on or after October 1, 2008, to serve on Active Duty in exchange for receiving the accession bonus, are authorized to receive the bonus.

060203. Limitation on Eligibility. A person may not be paid a bonus under subparagraph 060201 if:

A. The person, in exchange for an agreement to accept an appointment as an officer, received financial assistance from the Department of Defense (DoD) to pursue a course of study in dentistry; or

B. The Secretary of the Military Department concerned determines that the person is not qualified to become and remain certified and licensed as a dentist.

060204. Repayment. A person who, after signing an agreement under paragraph 060201, is not commissioned as an officer of the armed forces, does not become licensed as a dentist, or does not complete the period of active duty specified in the agreement shall be subject to the repayment provisions of [Chapter 2](#).

* 060205. Duration of Authority. No agreement under this section may be entered into after [December 31, 2011](#), unless this bonus authority is extended by the Congress.

0603 CRITICAL WARTIME SKILLS ACCESSION BONUS

060301. Eligibility. In order to be eligible for a bonus under this section, a person must:

A. Be a graduate of an accredited dental school in a dental specialty listed on Table 6-1.

B. Execute a written agreement to accept a commission as an officer of the Dental Corps of the Army or the Navy, or as an Air Force officer designated as a dental officer, to serve on active duty for a period of not less than 4 consecutive years.

060302. Amount. The Secretary of the Military Department concerned upon acceptance of the written agreement, may pay an accession bonus to an eligible person in an amount as specified in Table 6-1 for a 4-year obligation in accordance with his/her specialty.

060303. Limitation. A person may not be paid a bonus under this section if:

A. The person, in exchange for an agreement to accept an appointment as an officer, received financial assistance from the DoD to pursue a course of study in dentistry; or

B. The Secretary of the Military Department concerned determines that the person is not qualified to become and remain certified as a dentist in a specialty designated by regulations as a critically short wartime specialty.

060304. Coordination with Other Accession Bonus Authority

A. A person eligible to execute an agreement under either section 0602 or 0603 will elect under which authority to execute the agreement. A person may not execute an agreement under both sections 0602 and 0603.

B. A person eligible to execute an agreement under either section 0603 or 0608 will elect under which authority to execute the agreement. A person may not execute an agreement under both sections 0603 and 0608.

060305. Repayment. A person who, after signing an agreement under subparagraph 060301.B, is not commissioned as an officer of the armed forces, does not become licensed as a dentist, or does not complete the period of active duty specified in the agreement shall be subject to the repayment provisions of [Chapter 2](#).

* 060306. Duration of Authority. No agreement under this section may be entered into after [December 31, 2011](#), unless this bonus authority is extended by the Congress.

0604 INCENTIVE SPECIAL PAY (ISP)

060401. Eligibility. In order to be eligible for Incentive Special Pay (ISP) under this section, a person must be a Dental Corps Officer who is an oral and maxillofacial surgeon, who:

- A. Is below the grade of O-7;
- B. Has a current, valid, and unrestricted license or approved waiver;
- C. Has completed specialty qualification before October 1, of the fiscal year in which the officer enters into an agreement (except for cases listed in subparagraph 060404); and
- D. Executes a written agreement to remain on active duty for a period of not less than 1 year beginning on the date the officer accepts the award of ISP.

NOTE: Subject to acceptance by the Secretary of the Military Department concerned a dental officer must be currently credentialed and privileged at a military treatment facility in oral and maxillofacial surgery.

* 060402. Amount. [A Dental Corps Officer who enters into a 1 year agreement beginning on or after October 1, 2010 will be paid an ISP of \\$30,000. Oral and Maxillofacial Surgeons who enter a Dental Officer Multiyear Retention Bonus \(DOMRB\) agreement for 2-, 3-, or 4- years shall be paid an annual ISP of \\$50,000 during the contracted period.](#)

060403. Exception. The Secretary of the Military Department concerned may approve recommendations for ISP payments to fully qualified oral and maxillofacial surgeons assigned to positions requiring a substantial portion of time performing military-unique duties under adverse conditions or in remote outside the continental United States locations or that preclude the ability to spend appropriate time in a clinical setting.

060404. Limitations. ISP will not be paid during the same fiscal year in which the qualifying residency training is completed. If the qualifying training is completed out of cycle

(at a time prior to the end of June), and it is not the fault of the officer, then the Surgeons General are delegated the authority to waive the DoD policy and grant ISP during the same fiscal year in which the qualifying residency is completed. The effective date for ISP will be calculated from the completion of the qualifying training plus 3 months. This keeps all dental officers eligible for ISP consistent with respect to how their eligibility date is calculated.

060405. Termination. The Secretary of the Military Department concerned will prescribe regulations to terminate an officer's entitlement to ISP. Reasons for termination may include, but are not necessarily limited to, the following:

- A. Loss of privileges;
- B. Courts martial convictions;
