Marriage of a Lifetime

Marriage Preparation Course for Muslim Couples

This interactive 14-hour *Bersama Mu Marriage Preparation Course* has been specially designed to kickstart every couple's preparation for their marriage of a lifetime.

Supported by ROMM, MUIS, MCYS and PA, the *Bersama Mu Marriage Preparation Course* has been developed by marriage counsellors and complemented with video clips, self-reflection, couple chats and group discussions. Through group activities, the course will provide couples with opportunities to understand themselves and their partners better, and to gain relevant skills in managing marital issues successfully.
