pers have been received here by the late arrivals from Mexico—and pesides \$200,000 expected by the Haley on! It is said that during President Jackson sprogress the

pala of Providence, the carriage in which he hade wa covered with reses, showered upon his ve head from the fair bands which waved above. ... The Richmond Enquirer observes, "We have no sor affinity with Mr. Webster, his cause, his principles or his

It is stated that Col. Dreston, whose firm and patriot course during the Nullifying excitement in South Carolina. elicited the warm commendations of the friends of the Uni-

on, has been compelled to abandon his native state by the intrigues and cabalings of his political adversaries. It is known that Judge Smith, formerly a Senator from South Carolina, was induced from a similar cause to expatriate nimsch. It (as judiciously remarks a Philadelphia editor sting upon the subject) must be a ruthless spirit of persecution, which would endeavor to destroy the dom ties of mon who are no less emisent for their private a social virtues, than for their patriotism.

LATE FROM MEXICO.

woners Express and Lafayette arrived day before yesterday from Tampico with papers to the 1st and letters to the 3d instant. The intelligence furnished is somewhat more favorable. On the 18th of last month the garrison at Matamoras declared against the general government of Mexico, and in favor of the plan proposed by Escalada "The "commandant" Vicerse Filesola, was taken prisener by the insurgents, but the "political chief" made his escape

The general government had transmitted circulars to the state governors, requiring them to put in the field all the disposable radius. The militia of Tampaulipas were or gautzing.

According to the Ge a's de Tempice of the 28th June, th military force of the insurgents is not considerable; it consists of one hundred and fifty men under the commu Escalada at Morelia, three hundred men under the commend of Gebrie Daren, who were going towards the equa of Cuantla d'Amilpas, and eighty-five Indians, assembled at Temascaltenee under the semmand of the priest Joseph Caudrate, who had been swom to defend religion and extersinate free masons. But this statemens has too much air of pleasantry, and besides do a not accord with the oth ounte to be tree.

to the people of that state, that he has advices from the president at Mexico of the 20th uli, by which he is informed that that officer has resumed ution of the duties of his office; and that "the traitere" Arista and Duran with five hundred men were prohanted by general Lemnes, with a division of more than two thousand men. General Mojes with a force equally strong

journey to the eastward. His visit to this city has made most favorable impression, and been productive of very be nesicial results. It has brought with it an "era of goe fee ings," the grateful influence of which is felt among a ranks and classes. Men who have been long divided is politics, and estranged from each other, have been brough together in harmonious action; had we most sincerely hop that the good feelings which provails at this moment materials are the continued at least three weeks!—Cost. Gaz.

Yesterday was on the most uncomfortable north east torms, with which Boston is ever besieged at this season-freat coats in the streets and fires in the parlor grates, were

ndispensable comforts.

The sprious indisposition of the President, which was at ttack of pleurisy, has yielded to the medical treatment of Dr. Warren, and he was represented last evening as being much better. When he will appear in public is uncorrain, but doubtless in a day or two, when if his health allows, he will proceed toward New Hampshire.—Daily Adv.

Chalers at Amelia Island (Goo.)—A latter from Dr. Holmes, of Darren, to Dr. A. Y. Nicell, Acting Health Officer, sanounces that this disease had a meaned at the above mentioned seased. This removation was find and a contract with finding of the contract with the contract of the contract with the contract of the Helines, on the authority of Dr. Bacon, of St. Mary's.— The letter was communicated to the Board of Health, who were in session yesterday, when resolutions were passed

FOUR DAYS LATER FROM FRANCE. New Your, June, 29. The ship Fredonia, Captain Page, arrived at New-York on the 18th, bringing Havre dates to May 22d, and Pa-

and several thousand regular troops, here been sent from of king Leopolds while the rest fact is that the king sine of this capital to resulting the Russian skin. Still, the nego. This inservings has the street fact is that the king sine intitions contains, and it is shoulded that the Sultan, by lick in consequence while choose a street invited livrahim to send a special and his own well known preference of the charms of domestics.

Lie said that the last communications from Mediand in-liable an appearant towards a satisfactory arrangement. It is stated that the squadroulif Sartorns was still at an-

The king of Holland* and the influence have been conspiring together to interrupt our correspondence, but I have at length, with equal satisfaction, escaped from them bath, and from a position within twenty-four hours of London, and less than eighteen of Paris, I have to be able with the assistance I have secured in other quarters, to keep you in advance of your contemporaries on every point of general inferest in Europe.

During my short stay in London, the town was se completely absorbed with questions relating to pounds, shillings and peace, that it was in vais to suggest any subject for consideration beyond the reduction of the malt dety, the shalition of the assessed taxes and the apprehended substi-

ed from lending his official support to an administration has general course of policy he conscientiously apers. Should he thus be laid on the shelf, as present apof whose general course of policy he conscientiously approves. Should be thus be laid on the shelf, as present appearances seem to indicate, the loss to the administration the house of commons and the country will be mutter of serious regret. In speaking so strongly on the subject I strongly on the subj

signs contained, and it is statistical that the Saltan by lid, in consequence with a state of the charms of domes, and of courier, has invited librahim to send a special and his own well knows preference of the charms of domes multistance to Constantinople, in order to the case shally a points in dispute.

many country, married, making the married of changes and section of the country o

some degree, formed from the clamor I heur among the goulemen of the war party, and the propagande quest makes against the wholesome advice which his excellency the B. Itieh ambassador loses no opportunity of administrating. They complain of the severity of his strictures on their political orthicos, and thus, in effect, pay the highest establishment to his vigilance, firmness and penetration.

As to the general trade of this country, I have every reason to believe that it is steadily on the increase. The differences on all the roads are constantly filled with travel era, and the fast going vans of the country, for the expeditions conveyance of goods, are daily increasing in numbers. The internal waters of the country, the canala, and especially the Upper Schelds, as far as my observation has hitherte extended are in a state of extreme settivity, and conse trended, are in a state of extreme activity and conse-cently a source of a great national advantage. The new a diagnowhich you spain progress in every village through

workmen which encumber the quaye of every port the out the kingdom, and the wirdencome octrois widch become necessary to levy to save these great masses absolute starvation.

To the Persident and Directors of the Commercial Bank of

New Orleans,
Gentlemon—Whereas a requisition has been made to
you, to call a meeting of the stockholders, to express their
opinion on the location for a Banking House selected by
the Board, and whereas, as it is highly important, that a
fair and full expression of the wiff of a majority of the
stockholders, should be had; and whereas such meeting
cannot, by the charter, be held before the first week in August next, a time when our citizens usually absent themsolvens; when a great number of the stockholders, and more
than half the directors, it is known, will be absent. Therefore, we, the unidersigned residents of the city of New-Orteans, and stockholders in said Bank, do hereby recomteans, and stockholders.

When the subject can be fully, fairly, and impartially investigated, and the location be decided, agreeably to the will
of a majority of the stockholders.

We also reconnected that the building of the Banking
House be suspended until this decision shall be made
known."
