MRS. PARENT'S INSTITUTION,
Corner Royal and Hospital streets.

DAY AND BOARDING SCHOOL FOR YOUNG LADIES.

THIS establishment has been removed to corner Royal and Hospital streets. The building is new, well ventilated and well distributed for class rooms, dormitories, &c. Madame Parent takes occasion of the occasion to thank the numerous families who have so largely patronized her institution, and would assure them that their daughters will receive the same maternal care as heretofore. The long known reputation of her institution is the best guarantee to that effect. The course of study embraces the same system, in both English and French, as that employed in the first class institutions in the North and in Europe. Music, instrumental and vocal; Singing College, is taught by the most eminent Professors, also Drawing and Painting; Dancing by Professor Vegas.

MADAME PARENT will remove her institution across the Lake during the summer months, but will keep the school open as the city throughout the year. Finally, there will be nothing wanting to complete a nursery as well as a refined education; also to create to the hearts of young persons that pure morality which is the fundamental base of the institution, combining thus the elegance of manner so necessary for young persons. For further information address Madame Parent, at the institution, where prospectuses can be obtained. oct4
