MEMORANDUM FOR Commander, United States Southern Command, 3511 NW 91st Avenue, Miami, FL 33172.

SUBJECT: Transfer Recommendation for Guantanamo Detainee, Sulran Mohamad, ISN: US9AF-00517DP

1. (S) **Personal Information:** Sulran Mohamad is an Afghani national born in 1977 (age 25) in Sarwan Khala, Helmand Province, Afghanistan. Detainee has latent tuberculosis, frequent migraine headaches, and suffers from partial hearing loss due to loud explosions in the war. He is otherwise in good health.
2. (FOUO) **Detention Information:** On 13 October 2001, detainee was feeling ill and traveled to Sangin to purchase medicine. While en route, several Taliban soldiers forcibly conscripted him into Taliban service, claiming that he would be allowed to leave with pay after serving three months. Detainee was transported to Narim, Baghlan Province where he was assigned under the command of Mullah Amimu Nuallah until his capture approximately two months later. Although he did receive limited weapons training along with other conscripts, his duties primarily consisted of posting guard and preparing meals. When Northern Alliance forces captured Mazar-e-Sharif, Amen Ulah, leader of the detainee's group, ordered his troops to flee to Kabul. When they reached Arghandeh, Tophan's forces captured them, subsequently transferring them to U.S. forces. Detainee was later transported to Guantanamo Bay Naval Base, Cuba, because of his knowledge of Gul Mohammed, the mayor of Sangin County, and on Mullah Amimu Nuallah, the detainee's commander from Pauchman County in Kandahar, Afghanistan. He arrived on 11 January 2002. The detainee has been cooperative, but Joint Task Force Guantanamo considers the information obtained from and about him as not valuable or tactically exploitable.
3. (S) **Assessment:** Based on current information, detainee ISN: US9AF-00517 is assessed as neither affiliated with al-Qaida nor as being a Taliban leader. Moreover, based on the detainee folder, the knowledgeability brief, and subsequent interrogations by JTF Guantanamo, the results of which are available on the JTF Guantanamo detainee database, the detainee has no further intelligence value to the United States and will not be seen for

further intelligence purposes. Subject detainee has not expressed thoughts of violence or made threats toward the U.S. or its allies during interrogations or in the course of his detention. Based on the above, detainee does not pose a future threat to the U.S. or U.S. interests.

4. (S) **Recommendation:** In view of the foregoing, I recommend subject detainee be considered for release or transfer to the control of another government.
5. (C) **Coordination:** JTF Guantanamo notified the Criminal Investigative Task Force of this recommendation on 12 December 2002.
