PARTIE BY A HATOR, DREAUP & DUCLEUE NEW-UALRANS: MONDAY (Megaine) MARCH 29, 1830.

LATEST PROM ENGLAND. . By the ship Chariot, arrived from Liverpool whence she left on the 7th ult., We three been avoured with papers to the 6th, from which we halfo made the following extracts.

I.O. VI) O.N. Pahrunry 4.

OPENING OF PARLIAMENT. This being the day appointed for opening the acasion, the officers of the Houses of Lords and Commons, were early in attendance, and before two o'clock an immense number of person all nious to hear the speeds were assembled. No important afteration in the appearance of the himses has taken place since last session. It having been received from the treasuintelled a summons to the speaker of the The outnoissioners were the Lord Chancellor,

Ressly's and Aberdeen.

The right hon, centlemen, accommunical by ou nerque deputation, amongt whom we notithe bir, the Land Chincellor russ, and having Parliament, read the Kings's Speech as Bilows : MMT LORDS AND GENTLEMEN.

"We are commanded by Ilis Majesty to 18 mandines; y el baremetro del grado de su fin you that flis Majesty receives from all for proyecto to han descubierto plaramente va- eign powers the strongest assurances of their ries espes des de los que hab tan entre no- la sire to maintain and entirate the most friend-

reflie M jesty has seen with entidaction that the war between Russid and the Ottoman Purte

"The efficies of his Majesty to accomplish the main objects of the Tranty of 6th of July 1847,

"This Majesty having recently concerted with his allies measures for the pacification and final settlement of Greece, truts that he shall be enabled, at an early period, to communicate to you the particulars of this arrangement, with with information as may explain the congre nd nore de un partide que trata de carin- which his M justy has pursued throughout the guir el germen de independencia, libb tad. progress of these important transscrious.

"His Majesty laments that he is unable to an. é inseparable union al continente mexicanonnce to you the prospect of a reconciliation between the Princes or the House of Caganan. " His Wijesty his not yet deemad it expedience mas eficaces aquellos sentimientos que en to re-establish upon their ancient feuting his muchos se mantienen acultus por no en- Wej sty's diplomatic relations with the hingdom of Portugal. But the numerous embarasements y aunque todos confiamos en las acertades arising from the continued interruption of these relations increase his Majesty's de ire to effect the termination of so terious an evil.

". Gentleves or tes House or Commons. . His Majesty has directed the estimates for the ourrest year to be laid before you. They derable reduction in the amount of the public ap aditure, with not impairing the efficiency of our naval or military establishments.

" We are con audal by his Mujesty to inring the last year, has not attained the full amount at which it had been estimated, the dimiintion is not such as to cause any doubt as to the

" Mr Lound ATD GETTLEXES.

"His Mijesty commands us to acquaint yo that his attention has been of late earnestly directed to various proportant considerations can nected with improvements in the general administration of the law.

"His M jesty has lirected that measures shall he submitted for your deliberation, of which some are calculated, in the opinion of his Majesque la ugain las veces de mulas. No macia te, to faciliate an l'expedite the source of justice on diff. rent parts of the United Kingdom, and others appear to be necessary preliminarie to a revision of the practice and proceedings of the Superior Courts

"We are commanded to assure you that that his Wijesty feels confident that you

" His Majesty commands us to inform you that the export in the last year, of British produce and manufactures, has exceeded that of any former or of the military contribution, which

"His Majosty laments that notwinstanding this indication of active commerce, distress should prevail a nong the agricultural and minifacturng classes in some parts of the United Kingdom, "It would be most gratifying to the parternal feelings of his Majest to be embled to propose

me your consideration measures calculated to remove the difficulties of any portion of his andjects, and at the same time compatible with the mericana JUANA MARIA, so capitan general and permanentanterests of his people. "It is from a deep solicitude for those interests that His Majoriy is impressed with meacasity of arting with extre no caution in reference to this important subtect.

His Majesty feels assured that you will conear with him in assigning due weight to the effeet of unfavourable seasons, and to the operation of other curses which are beyond the reach

of legislative control or remedy. "Above all, His Majesty is convinced that no pressure of temporary difficulty will induce you to a lag the determination which you have uniformly manifested to maintain inviolate the pub-
