Dear Mr Kirsch,

The Secretary General has asked me to thank you for your kind invitation to attend the First Delphic Games of the Modern Age, (Moscow, 1 – 7 December), to which he has granted his patronage. I apologise to reply so late but pressure of work has prevented me from doing so earlier.

Unfortunately, owing to important prior commitments at that period of time, the Secretary General regrets to be unable to attend these games.

However, I would like to convey the Secretary General's best wishes for the success of this event.

Yours sincerely,

Jan KLEIJSSSEN
