TRRMS

But this is not enough. The revolution of September was not made for the Prince Leopold or Subscription ten dollars per annum, payable for any such object. It would not be terminated half yearly in advance. by his appointment, or settled by his installation. No subscription will be stopped unless the ar-

rearages be paid; and the person wishing to dis-continue his subscription, shall give notice but has that measure has been deferred by the ti-

thereof, in writing, a week previous to the expiration of the half year.

Advertisements are published in English and for the course of time to do the rest. A Republic, and wait for the course of time to do the rest. A Republic to the course of time to do the rest. French, at the rate of one dollar per square, for each tanguage, the first insertion, and fifty an Elector, or a President or a Chief; and as it cents for each continuance Fifteen lines or less

Advertisements which shall not be limited as to the number of insertions, will be continued ded by the Monarchies of Austria, France and until stopped, at the expense of the persons who Sardinia. I presume that you have already received a copy of the instructions sent by the Polish Govshall have sent them.

A liberal deduction will be made to those who

contract by the year.

No subscription from the country will be received unless an agent in this city be designated, to whom application may be regularly made for paymer Letters must in all cases be post paid

FOREIGN EXTRACTS.

From London papers to the 25th May, received at the office of the Evening Post.

Government? It was the first to recognize the To the Editor of the London Morning Chron-Revolution of July in France as just and nationicle. al-and Lord Stuart had the honour of first ap-Paris. May 21. nearing in the Palace of Louis Philip. This The Belgian Congress has reassembled, and was a step taken by Wellington and Peel; and the Minist r of Foreign Affairs has made his we expect less from an Administration of Brougreport. It amounts to this—that France has consented to the secrifice of Luxemburg, and all Reform, and the advocates of corruption, were thus just in their conduct towards France, has fully adhered to all the scandalous Protocole of Lendon—that the Belgian Government has refused its adhesien—that the Prince Leopold shall the Whigs of 1831 be repreached for possessing less sympathy for the fate of the Poles, than the Tories of 1830 for that of the French? would be King of Belgium if made so by Proto-cols, and by the five Powers—that the King of Did England ask Russia what she could do in Holland has been invited to appoint Commis-August last; and was not, in fact, the Emperor ioners to settle the disputes between the two ommanding an army to be prepared in Poland countries by arbitration—that the Government is preparing for war-and that the Congress has very moment when Lord Stuart was the repreto decide between national independence and sentative of England at the Court of the Palais national honor or national dependence and dis-Royal? Has England foar of Russia? Does grace.—There is nothing new to us in all this. I have from time to time told you that Sebastiashe fear the union of Prussia and Russia? This cannot be. Does the Governmen imagine that we ask it to go to war for Poland—and send an army to Warsaw! We ask no such thing! ni was prepared to sell Belgium and all her interests for the purpose of securing momentary peace; and the only consolutions I have had for the denials with which my statements have Send to Warsaw merely an Ambassador, or a Minister-and Austria will then do the same. been met, either directly or indirectly, has been And do you think for a moment that this would the conviction that I knew what was passing. lead to war? Do you believe that with Poland, and that I was certain I was right. This adhe-aion—full, unrestricted, Holly Alliance sort of Lithuania, and Volhynia, in revolt, Russia would make war against Great Britain, Austria adhesion of France to the protocols of London and France? No, no; the Emperor will not and cannot do this. The arrival of a British Ecvoy at Warsaw would soon be followed by a has been heard and rund in their country with anseigned sorrow and deep regret. The people had seped even against hope, and though often disappointed, they clung like the drowning maflag of truce, and such an arrangement might be adopted, as would secure the independence riner to the last raft of the vessel. But these of Poland, without unnecessarily wounding the

to the wretched, miserable, chandler-shop palicy of the Canimir Perior Administration. But what will the Belgians do? "Do what is right, arrive what may." Then they will refuse a king with conditions—refuse independence without Luxembourg and Lembourg shall be also free—refuse the cowardly advice of M. Sebastiani and imitate the D. own freedom, she could not be roused to prevent the extermination of Poland! It is to England that Poland now looks. France is governed by and imitate the Pules in their resolution to cona mag of honest but commercial principles—and quer or die. To cede to the wishes of a Perier Administration would not settle the controversy help, his sympathy, his counsel. Let my Lord -would not terminate the Revolution-would Grey redeem the pledge which he made in 1814, expose Belgium to attacks from within and withand his same shall be recorded on pillars of out-would disgrace the Belgian nation and brase as the deliverer of Poland. stamp with indelible shame the Revolution of September. Do the inhabitants of Luxembourg desire to be subjects of the King of Holland? Have they contracted those habits, intimacies, prejudices, or feelings, which would be favourable to the union of the Duchy to the States of the undersigned, judge of the Parish of the King of Holland? Have they ever manifest.

BY the undersigned, judge of the Parish of the King of Holland? Have they ever manifest. ed such wishes or sentiments since the Revolution of Sentember ! I answer no. decidedly no and I challenge may one to prove the affirmative.

(Well, then, does Holgiam desire the separation?

The answer is given by the decision of the Congress that Languabourg shall form part of Belgiam, saving the connexion of the Duchy with the Germanic Confederation. The Congress

or bereditary estates. Should it attempt to do this, those who made the revolution of September would again rise, and shake into the fire the viper that would fasten itself on the vitals of the nation. And be it remembered, that although the French Government has given its adhesion to these protectls of London, the French people have not done so; and although the French Government has expressed its desire to obtain the favour and approbation of the Northern Despots, the French people hold them lightly; and, shove all, semember that the French Government dare not march an army against Belgium, or allow a foreign enemy to pass over its plains without appearation and warfare. Let then the without apposition and warfers. Let used the Bolgians be firm to themselves and they must triumph. France is there to protect them! Entriumph. gland is not disposed to annoy them! a new British Reformed Parliament will never sanction

an unjust and annocessary war! Prussia will

dare not decide that Luxembourg shall not form pact of Belgium, but shall be handed over to the King of Hulland as a part of his private fortune

left also for the use of punchasers.

The Conditions of this sale are agreeably to the deliberations of the family meeting not dare to enter for fear of France, and the French Government will not dare to oppose the of the minors of Jumonville Devilliers, and to the order of the Honorable Court of Protects of the Parish of Orleans, payable in three equal instalments, of one, two and three years' credit unanimens sentiments of thirty-two millions of people. The question them is a simple one. It is one between Belgium and the King of Holland—it is one of peace or war between the Belgians and the Dutch. War is a great evil, but oppression a greater. The loss of life, the defrom the day of sale, the purchasers giving their notes endorsed to the satisfaction of the testamentary executors of said deceased, said notes to be drawn in as many slips as the said testamentary executors may think proper, payable at the bank of Louisiana it. New-Orleans, and vastation of towns and villages, the injury of commerce, trade manufactures, agriculture and the arts and sciences are immense calamities; the arts and sciences are immense calamities; the bank of Louisiana in ivew-vireans, and but one far greater than all of these is the slaveray, the dissatisfaction, and the firmly seated, deep-record antipathy of the people to their govdeep-record and the people to those of national slavery and degredation are durable. Whilst, therefore, I exhart the Belgians to arrange if it be possible, with the King of Holland without war; yet to make war, and carry on war, in spite of M. Sebestiani, and of

rounds without way yet a make we, and the carry on war, in spite of \$1. Sebestiani, and of the Loadon protocols, rather than reliquish Larembourg or Lembourg and rather than elections and the prince of the prince of the prince Lespold can excite the same peace by all means, but let it be a permanent one—a peace based on right-principles and popular considerations, and then we may hall it as a universal and immense blessing. The hesistation of the Prince Lespold can excite the system obtained to the prince Lespold can excite the system obtained to the prince Lespold can excite the system obtained to the prince Lespold can excite the system obtained the prince Lespold can excite the system of the prince Lespold can excite the system obtained the prince Lespold can excite the system of the system obtained the prince Lespold can excite the system of the system obtained the prince Lespold can excite the system obtained the prince Lespold can excite the system of the system obtained the prince Lespold can excite the system of the system of the system obtained the prince Lespold can excite the system of the system of the system obtained the system of the system of the system of the sy
