From the New Orleans Price-Current of Saturday September 10.
The Crops.—In a short excursion up the dississippi since the 4th inst., we met with several very intelligent persons, men of observation and veracity, who had been travelling through the interior of the state, we made inquiries as to the appearance of the crops of Cane and Cotton, and, generally, as to the effects of hand for sale, one of the American Hydrau- the late storms. Both have suffered consideraic Co's Patent Fire Engines suitable for plan- bly in many places-but we were glad to learn that in consequence of the cane being small, having been kept back by the unfavourable weather, the damage is not really so great as has RECEIVED by late arrivals been reported. Many planters, however, have been seriously injured—their Sugar Houses and other buildings having been blown down; others adelphia, a very fresh assortment unrocted and otherwise damaged. Of the Cotof D.ugs, medicines, and chemi- ton crop there appears to be serious cause of complaint, and, we doubt not, that the quantity ing, Labarraque's, concentrated raised in this state and Mississippi will full short chloride, of soda and of lime, (in of that of last season; or, that few planters will Glass stopper Bottles,) Peltier's, inake as much as they did last year—the loss
