and valueum of it per sent have rendered the meaning of the senting and somewhat glucours, and give rise to different options as to the construction of it.

The subject, however, having recently heefs brought to the consideration of the secretary of this treasury, be has delicated the subjects of the first action are the constructed in sech meaning as that the other provisions of the act may be effected, and therefore, not to embrace "bleached on the construction of the constructio

Although the states on manufactures of wool, or of which wool is a component part, may be paid in cash, still no discount thereon can be allowed, the 6th section of the tariff act of 1839, expressly denying the right in such case.

Instead of paying the duster, however, on such goods in cash, t is optional with the importer to deposit the goods in the public stores on the terms and nonditions specified in the 6th agation referred to. 6th section referred to.

Respectfully, JOS. ANDERSON, Comptroller.
To Jas. N. Barrier, etc.
