CARLOS & LENS

RESPECTFULLY TO THE CITIZENS OF NEW-ORLEANS.

I have the honor to submit to your inspection and opinion, the following specimens of the "CAJUNIAN LANGUAGE," in which I have been laboring for the past four years, with a view to its improvement and extension.

I have not only to the best of my abilities, but also to the best of my knowledge, strived to render this language clear and comprehensive.

Mr. L. D. L. has been kind enough to give me the following notice:

"I have been much pleased with the progress Mr. L. D. L. has made in the study of the Cajunian language, and I am persuaded that his labors will be of great service to the community."

TO LET-A House in the 800 block of St. Louis St., to be occupied by Mr. L. D. L., who is about to open a school for the instruction of children in the Cajunian language.

Notice to the Public.

I have for some time been engaged in the preparation of a large number of specimens of the Cajunian language, which I am now ready to exhibit to the public.

Satisfactory references will be given.
