PAGLISH, FRENCH & SPANISH LANGUAGES.—The undersigned (a Frenchman by birth recently arrived from the north,) bega leave respectfully to inform the citizens of New-Orleans that he has opened in St. Pierre street, No. 146, between Duuphine and

This method has proved a valuable acquis tion; for pupils, even not acquainted with the grammatical principles of any language, and only ing their memory, and taking more time for their studies than that required for their usual essons under the preceptor.

The course of each language is divided into general principles of grammar, so as to continue his studies, if he pleases, without the further assistance of a master.

At the end of the second section, he will have

sequired syntax, with all the exceptions to the general rules of the declinable parts of speech, understand well all that he reads, and be able to anslate the language he studies into his own. At the end of the third section, he will have

studied correct phraseology, will write and speak well, and even understand those who speak with much rapidity, and translate elegantly his own language into the one he studies. The scholar being at liberty to quit his class
