MEDICAL.

Professor A. C. Barry's TRICOPHEROUS, OR MEDICATED COMPOUND, FOR PRESERVING THE HAIR, ARRESTING AND LIFTING THE HAIR, accelerating scurf and dandruff, and curing diseases of the skin, glands and muscles, stiffness, soreness, bruises, &c. &c. This discovery, ascertained by experiment that Barry's Tricopherous has produced the same effect in curing diseases of the skin, &c., of the bones and all the animal kingdom. The following testimonials, selected from hundreds of similar import, will serve to show the value of the preparation, and the estimation in which it is held by those who have given it a trial:
New York, Sept. 23, 1850.
PROF. BARRY—Dear Sir:—I have been afflicted with a cutaneous eruption of the scalp, of a most aggravated character, for the last seven years, and during that period have had the advice of some of the most eminent physicians, and have tried all the preparations for the hair and skin now known, but to the least benefit. I was advised by a friend to try your Tricopherous. I did so, as a last resort, and to my surprise and gratification, found myself cured in about two months. Such was the violence of the disorder that at times I was partially blind.
Respectfully yours,
C. V. M. RAPELYE,
140 Columbia street, Brooklyn.
New York, Oct. 23, 1850.
PROF. BARRY—My Dear Sir:—About two years ago my hair came out a great deal, and my head was much affected with dandruff. I was told by a friend to try your Tricopherous, and I did so, and to my astonishment my hair was firmly rooted, and all the dandruff disappeared, as the hand now shows for itself. With respect, I am your obt. servt.
J. R. TREDWELL, 663 Broadway.
Many lady or gentleman in doubt as to the authenticity of the above, they will please call at Professor A. C. Barry's Office, No. 137 Broadway, New York, where he will give them the most satisfactory proof.
(*From the Military and Naval Argus, Nov. 9, 1850.*)
There is no remedy for the permanent cure of baldness and dandruff, in the community generally, that has reached the popularity enjoyed by the article known as Professor Barry's Tricopherous, or Medicated Composition. It is a remedy, we find, for all classes of the community; in almost every nursery in the land it is used in preference to other nursery articles. It imparts vigor to the roots of the hair, and thus promotes its growth in a remarkable degree. It destroys the dandruff and scurf, and renders the hair soft and glossy. It will cure all diseases of the scalp, such as scald head, dew worms, and other obnoxious affections. In cases of fever it allays the heat as well as efficacy, it stands unrivalled. It is sold in large bottles, price 25 cents, at No. 137, Broadway, and at the Druggists generally throughout the United States and Canadas. je12 3m

IN QUART BOTTLES.

For Purifying the Blood, and for the Cure of Scrofula, Mercurial Diseases, Rheumatism, Cutaneous Eruptions, Blotches, Ulcers, Liver Complaint, Dyspepsia, Bronchitis, Salt Rheum Consumption, Fever Sores, Pimples, Pustules, Erysipelas, Boils, Tetter, Affections of the Spine, Pains in the Bones, General Debility, &c.
THIS preparation has now borne the test of over 14 years experience, and has proved itself to be the most effectual alterative which time numerous imitations have sprung into existence, founding their claims to the extraordinary virtues of this medicine on the reputation of Sarsaparilla Root, the great purifier and extended use of which has been mainly attributed to the skill and research displayed by the proprietor in the combination of the various vegetable remedies of great power, and it is in the peculiar combination and scientific manner of its preparation, that its remarkable success in the cure of the following diseases is attributed.
