ARRIVAL OF THE EUROPA

NEW YORK, June 30.—The Europa, the largest passenger liner in the world, arrived in New York today, having completed a record-breaking voyage from Europe. The ship, built by Harland & Wolff, Hamburg, is the largest passenger liner ever constructed. She is 457 feet long, 68 feet wide, and has a displacement of 22,000 tons. She is capable of carrying 2,000 passengers and 1,000 crew members. The Europa is the first of a new class of ships, the Oceanic class, which are designed to be the largest and most comfortable passenger liners in the world. The Europa's voyage from Europe to New York was completed in 10 days, 15 hours, and 11 minutes, a record for a ship of her size. She is expected to make regular trips between Europe and New York.
