

# The New Orleans Bee.

OFFICE 73 CHARTRES STREET.

NEW ORLEANS, SUNDAY MORNING, JULY 8, 1870.

434 YEAR—Vol. XLIII—Whole—16,102.

THE STRANGER'S LIFE AND NATURALS.

Their Home from New Orleans to Cuba.

According to the Square in the table,

which we published yesterday in refer-

ence to the great race between the Lee

and the Washington, we have the fol-

lowing averages:

To Natchez, 17½ m.—Lee, 16 m.—

Washington, 16 m.—Lee, 16½ m.

From the accounts of the pending race,

we learn that the Lee has been running

at a speed of about 10 m. per hour.

At present, however, it is not known

whether or not regular practice will be

continued, as it is to be desired

to have the Lee run at her best speed.

Business Notices of Advertisements to be

run in the Bee, see page 16.
