The many advantages thus offered to a discriminating public needs no minute discription, and judicious apeculators will not fail to profit by the purchase of lots in this elevated and healthy part of the city, rentered so convenient by its connexion with the Rail read which runs through the centre. This faubourg is laid off to correspond with the streets of faubourg Marigny, and with those of Milnesburgh, and it is evident from the enterprising character of the inhabitants of the lower part of the city, which is daily developing itself with increased vigor, that the time is not far dis-tant when the whole will be in a state of improvement. and will form the most beautiful part of New Orleans. The wide avenues formed by the Rail Road, and parallel streets permitting free eleculation of air from the Lake to the River, and affording an unobstructed dors Seg view, certainly indicate it the most healthy part, as chasers. well as the most beautiful. The compactly built and crowded streets of the business parts of the city already the register of wils. On Tuesday the 12th of June, 1882, crowded streets of the business parts of the city alrea-dy renders them unfit for residences during the warm mson, and as this inconvenience must increase with the growth of the population, more airy and salubrious aituations must be taken for dwellings, as well for health as comfort. Cars will stop at the Darcanil faubourg at all times to put down and take up passen-gers, and it is the intention of the Rail road company o lay iron pipes from the river to the lake to furnish the intermediate inhabitants with pure and wholesome wa-

ter at a small expense. For summer residences and pleasure gardens, this faubourg is delightfully situated, and the facility o speed with which it can be reached by means of the Itali-road, render it more convenient to the square of

the city than many of the upper faubourgs.

The Rail Road Company desirous of affecting facility to enterprising individuals who may purchase lots or squares in said faubourg, propose to sell on the follow 1. 2, 3; 4 and 5 years, endorsers being required or
