TO THE PUBLIC.

PROFESSER B. TRONCHIN thinks proper, for the satisfaction of the inhabitants of this city, to submit the following certificates and letters to their consideration.

HAGERSTOWN, MARYLAND, JUNE 1st, 1830.

The Trustees of the Hagerstown Academy, take pleasure in bearing testimony, as well to the correct gentlemanly deportment of Monsieur B. Tronchin, late professor of the French and Spanish languages in this institution, during his residence among us, as to his dilligence and attention in the management of the pupils under his charge. By his judicious method of instruction, the class to which he gave lessons made the most satisfactory progress in their studies; and it has been entirely owing to the want of patronage in his department, that he has been obliged to leave his employment in the academy. We cordially recommend Monsieur Tronchin to the public as an assiduous, efficient and intelligent instructor of the English, French and Spanish languages, to all desirous of employing such: and hope he may soon find the encouragement he merits. (Signed,) J. REYNOLDS,

President of the Board,
WM. PRICE,
Z. ANDERSON,
THOS. D. BELL,
D. SPRING,

The undersigned Merchants, Lawyers, and clergymen, of Hagerstown, Md. do cheerfully concur in opinion with the trustees of the Hagerstown Academy, who have signed the above certificate in favor of Professor B. Tronchin.—C. Hager, Jacob Kunsler, W. C. Drury, Edward Fitzpatrick, R. W. Randall, A. Johnson, R. M. Tidball, Parker Blood, Robert B. Draper, Wm. M. Marshall.

HAGERSTOWN ACADEMY, MAY 4th, 1830.

Doctor Abbain, principal of the Pennsylvania University, Philadelphia.

DEAR SIR:—Allow me to introduce to you the bearer of this letter, Professor Tronchin, of our Academy. Professor Tronchin visits Philadelphia with a view of making an engagement in that city as teacher of the English, French and Spanish languages, as the patronage here in those studies is not finally sufficient to give him a settled salary.

Professor Tronchin, Mr. Tronchin in Philadelphia, Townsend Leigh Clock, of Virginia, Professor Bay, of New York, to the effect of the qualifications he possesses in the French language. Professor Bay, after hearing him, that he was better qualified to teach the French language than any other instructor he was acquainted with in New York; and Professor Bay gave me almost count quite as satisfactory of his ability to teach the Spanish language. Besides these recommendations, Mr. Tronchin produced to our Board of Trustees, the most satisfactory testimonials from other competant judges, of his ability to teach the languages he professes. I mention these facts to give you a knowledge of the testimony we had of Mr. Tronchin's qualifications before we invited him to our institution; and I can cheerfully add, that the success of those pupils of our seminary will have been under his instruction, has entirely justified the high opinion of those who knew him best in New York. I regret very much to part with him from our institution; but from the cause I have mentioned, it is likely he may embrace some other situation. His manners as you will perceive, are those of a gentleman, and dignified; and I feel much esteem for his character every way. His knowledge of the English language is uncommonly good, and he would be able to make himself useful in almost any school. In penmanship he excels; and he possesses a practical acquaintance with the business of a counting house.—From what I have expressed, you will perceive that I can have no hesitation in recommending Mr. Tronchin as a very valuable teacher for any literary institution in our country, and if you can aid him in any manner in his views in your city, you will confer a great favor on me, and serve one whom I think worthy of your kind offices. I shall be pleased if you introduce him to my friend Doctor De Lancey; and perhaps if you make him acquainted with Mr. Johnson, of the High school, it may promote his interest.

In haste, I remain, dear sir,

Your obedt. servant,

(Signed) A. B. QUINBY,

Principal of the Hagerstown Academy.

HAGERSTOWN, MAY 4th, 1830.

To Mr. B. Tronchin—

SIR—It gives me much pleasure to offer you all the assistance in my power, in the pursuit of a more advantageous situation than the one you at present occupy. I am therefore happy to express to you my sense of your merits, both as a teacher and a gentleman; and that I sincerely believe you to be entitled to entire confidence, as well with respect to ability in the former character as to correctness of deportment in the latter. You have my best wishes for your success.

I am sir, with much respect,

Your friend

(Signed) ANNA M. INGLIS,

Instructress.

HAGERSTOWN, May 4, 1830.

Messrs. Kay, Jin, & Co. Philadelphia.

Gentlemen—The bearer of this, Monsieur Tronchin, leaves this town in the morning for Philadelphia, in pursuit of a more agreeable and lucrative situation than can be afforded him in this place.—He has been teaching the French and Spanish languages, and writing, in my seminary for the last six months, and much to my satisfaction; and I consider him entitled to much better patronage than he is likely ever to obtain in this section of the country. He is not only a good French and Spanish scholar, but a very correct English scholar also; an advantage which few foreign teachers possess. He is besides an excellent book keeper, and practised in teaching that branch also.—Should you be able to render him any assistance, you will oblige exceedingly

Your's respectfully,

(Singned) ANNA M. INGLIS.

HAGERSTOWN, Md. June 7, 1830.

It is with pleasure I give this testimony to the capability, assiduity, &c. of Mr. B. Tronchin as a teacher of the English, French and Spanish languages, who has resided in this town about eight months. My son, a boy in his fifteenth year, made astonishing progress while under his care, and I regret very much that he did not meet with patronage sufficient to justify his remaining here. I know of nothing in the character of Mr. Tronchin that could be objected to, as a teacher of the first respectability.

(Signed) GEORGE HAGER,

Merchant.

The undersigned does hereby declare, that the originals of the above certificates and letters are in the possession, and they can be exhibited at any time to any person who shall wish to see them. [nov 10] B. TRONCHIN.

ENGLISH, FRENCH & SPANISH LANGUAGES.—The undersigned (a Frenchman by birth recently arrived from the north,) begs leave respectfully to inform the citizens of New-Orleans that he has opened in St. Pierre street, No. 146, between Dauphine and Bourgoyne streets, a **DAY** and **EVENING SCHOOL,** for the English, French and Spanish Languages. Every exertion on his part shall be used to merit the approbation of those who may intrust children to his care, and of those pupils who take private lessons from him.

His method of teaching the above languages is grounded both upon reason and experience; it is simple, perspicuous and impressive, and enables the learner in a short time to speak and write the said languages with ease and propriety.

This method has proved a valuable acquisition, for pupils, even not acquainted with the grammatical principles of any language, and only gifted with a certain knowledge, can become master of a foreign language without burthening their memory, and taking more time for their studies that that required for their usual lessons under the preceptor.

The course of each language is divided into three sections of thirty lessons each. At the end of the first section, the scholar will have learned the rules of pronunciation, orthography and the general principles of grammar, so as to continue his studies, if he pleases, without the further assistance of a master.

At the end of the second section, he will have acquired syntax, with all the exceptions to the general rules of the declinable parts of speech, understand well all that he reads, and be able to translate the language he studies into his own.

At the end of the third section, he will have studied correct phraseology, will write and speak well, and even understand those who speak with much rapidity, and translate elegantly his own language into the one he studies.

The scholar being at liberty to quit his class whenever he deems it proper.

The undersigned having a few hours to spare wishes to fill them up in teaching at any person's house and in any male or female schools or seminaries in this city. The most honorable references can be given if required. Terms moderate and made known on application.

The Advertiser can be seen at all times at his school room, or at his dwelling, No 141, St. Pierre street between Bourbon and Dauphine streets.
