### THE TIMES

"The students who approach CRCC Asia looking for internships are all high achievers... They are driven by two factors: the desire to have something on their CV that makes them stand out in an increasingly competitive jobs market back home, and the appeal of working in an economy that is really booming"

*The Sunday Times, "China is the choice for high flyers", July 2008*

### theguardian

"On my internship I was given real responsibility. . . I chaired meetings and I even held a press conference. I experienced things you probably wouldn't experience in five years in your career in the UK"

*The Guardian, "Graduates look overseas as jobs dry up", July 2010*

### THE LAWYER

"I am definitely considering coming back to Beijing... it has been an awesome experience, so different to any other city that I have been to and the people here are so friendly"

*The Lawyer Magazine, Postcard from a CRCC Asia Law Intern, August 2009*

The CRCC Asia Internship Program provides an unparalleled service to its participants, including an extensive Alumni Network that allows for the development of your professional network upon completion of your placement.

Start dates every month throughout 2011 and 2012
