The while boat, and in a few minutes the sames in hanguage should deal the whale boat. A strong head wind was almost of a Bediamite. Cold water and a straight in the there is all the there i

jacket should be the portion of one whom reason seems to have described. one thing iscertain. The Fillmore Rangers de-apise slander and scoff at menace. They will exercise, in the boundless prerogative of American freemen, the right to visit all quarters of the city, and to hold meetings when and where they please. They will respect the laws as good critizens, and if misguided or wicked men seek broils and personal violence, on the heads of the associants will rest the responsibility of the con-

GEN. BUTLER'S ASPERSIONS ON THE CHECKES. GOV. BHITE'S INVIOUSLY PROTEST. We copy the annexed article from the South-era Scatinel, an able paper, published at Plaquetnine, in the parish of Iberville. We com-mend it to all who revere the memory of the WARD D. WHITE: "It is not only the "Whig editors" of this

State who are loud in their denunciations of Gen. Wm. O. Butler, for his uncalled for, libelous and vituperous aspersions of the dilizens of Louisiana upon the floor of the House of Representatives. We lay before them to-day the indignant voice of one who readily rebuked this unjust and violent attack upon the hono Remarker! distance of Louisiana, you cannot be now to RUTLER, your REVILER which they could transmit to their posserity—it is the voice of their lamented Warrs, a name which is equally dearto" those of French origin," the Creoles, as to any other class of free citizens. He was representative in Conthe Second District, and was present when Gen Butter uttered his imprecations upon the peo-ple of Louisiana; he heard the language an witnessed the manner—not of a portion but the whole speech of Gen. Butler; and his voice now comes from the grave, at a propitious mo-ment, to warn you, fellow-citizens, against the viperous tongue of one who now asks you for your suffrages. The following extract is

from the Congressional record—it is clear, un-varnished and unadulterated—a truthful ex-Extract from the report of the proceedings in the House of Representatives, March 2d, 1843.

"Mr. WHITE, of Louisiana, obtained the Hoor, and sond that he was induced to seek the antention of the Chair this morning for a personal explanation. He said he had been attacked, SORELY INSULTED IN THE FACE OF THIS HOUSE, not indeed in his own individuality, for as to that, he protested that of every bone in it were fractured, he would not deem at a think worthy of the Socaker's

inker, more energient than words. If a man, or set emeasures for the organic paptly, for the purpose of the Unstrict of Coundhards the missives between one of prohibiting the introduction of the Universities of the Universities of the Whole, an hour be devoted to the organic prohibiting the introduction of the Bill, in order to afford him the opportunity of some expression in the premises.

"Mr. FILLMORE suggested that the committees should first be called for reports."

FLORIDA.—Full returns have been received from two counties. In Escambia, the vote for Governor is as follows: Brown, (W.) 204; Bajler, (L. F.) 153. For Congress, Cabell, (W.) 202; Duvsl, (L. F.) 155. In Sents Ross, the Whig majority for Governor is 104, and for Congresseman 105. The whole Whig tieket for

reaction of the factor of the

by the small boats were:

their assistance. Seven others were also prome up, after drifting about on pieces of blanks, dec.

Mr. Duncan, merchant of Springfield, was also picked up, drowned.

Names of those Saveid.—Mr. Wm. Martkit;
passenger, anknown; Mr. Bradley; engineer; the Capiain; one cabir boy; a gasil boy belonging to a family among the passengers, about 8 years old, who had been drifting or smisming on the saverage of the water during two hours, on the surface of the water during two hours, and haddening nearly the whole time,

Mr. Mr. Martkit;
Gen. Case and Mr. Fillmonz, as expected in the above paragraphs, and determine what delegate on the saverage of unblashing diseasement of any time of the saverage of the water during two hours, on the saverage special on the slavery apestion, while he vindicates and supports Case.

The Taylor Prospect in Oble. years old, who had been driving or sensuming on the series of the water during two hours, was heard hollowing nearly the whole time, until a few mindre before he was plaked up. Two negro boys belonging to the boat, were also picked up.

A young man, supposed to be samed Brown St. Louis, who find with him a number of telegraphic instruments, was lost.

Two families, communing of a gentleman, his wife, sincer-in-law, and young ladies, supposed o be sisters to the married ladies, and two children, one about 6 years of age, and an inchildren, one about 6 years of age, and an infant, were also lost, The abjent hashand is supposed to be employed in the Lamber Yard of Mr. Hunt, in the city. Two servanus, belonging to the families, two negro men, and the chambermaid, belonging to the boat, and two persons sukmown, were also lost.

The boat, together with a lot of pravisions, passengers' baggage, and about 14 bales cotton, totally lost.

The Asserten's News.

The following despatch to the Editors of the Baltimore Sun, contains somewhat fuller details of the advices by the America, than were pre-

[From the Battimore American, Sopi. 30]
PA[STCAIFF.
The Cunard steamer America, Capt. Jodkine, arrived at New York yesterday afternoon, after a passage of thirteen days from Liverpoot, She sailed on the 16th instant, and brings intelligence one week laser than that by the Acadia. From our attentivelcorrespondent at N. York, we have received the anneared summary of the new brought by the America.

By Mangasette Telegraph.

[Trapamitted for the Battimore American.]

New York, Sept. 39—7 P. M.

The steamer America, with Laverpool advices to, the 16th inst., his just arrived, and I hasten to send you the annexed summary of European intelligence:

intelligence:

LIVERPOOL MARKET, SEFF. 18.

COTTON.—The Cotton market was rather heavy but without much change in prices. Upland fair was ranging at 41-84, and New Orleans do., at 45-8. Lower qualities are considered.

miner in propose a decree inegarizing the control of Louis is a preender. If Louis is a necledard, Please Napoleon, already a member of the Assembly, will start for the Presidency. In consequence of the rejection of the arministic by Schleswig Holstein, and the acceptance of mediation by Austria, it was reported at Fa-

of mediation by Austria, it was reported at Paris, that the Government resolved to resume the pian of forming an army of observation on the Rhine, and troops on the Italian frontier will be removed for that purpose, except about 30,000 which will be left to guard the Italian frontier. Gen. Changarnier in the general in command of the struy of the Rhine.

An officer, walking inGen. Caveignac's gerden, was fired at a few days ago, being doubtless taken for the General.

Spanna.

Gen. Parvis has resimed the Government of

Gen. Parvia has resigned the Government or Catalonia, in consequence of ill health. Cor dova will probably succeed him. About nin-thousand Chartists are in arms against the Go-vernment.

form, and bare succeeded in capturing several pieces of cannon.

One of the main causes towards this anexpected outbreak of the Irish parriots, is believed to be the scathing, abusing, and indiscriminate ridicule heaped upon them and their leaders by impending doom. The extellment is spreading like wild fee throughout the whole baland, and it is believed the rebelion will be general.

It sally.

Toccarry his been the seene of a trightful disorder. At Leghom the physicary rose in consequence of an attempt to put down the political clubs. A conflict ensued and one hundred and walve soldiers were killed on the aport.

The Sardinian floot has sailed from Tereste to blookade Venice.

A Man Found Drowned.—The Baton Rouge Advance, was:

'On Friday last, a man was found in the river at this place, nearly opposite the garrison, life apparently being but a short true extinct.—He appeared to be about 20 years of age; he was about 5 feet 9 inches high, high cheek bones, large forestend, dark brown hair, bire should leave the city whith twenty on Friday night, as a dangerous and suspicious character. Recorder Geneir epissed him on the dondition that he was about 5 feet 9 inches high, high cheek bones, large forestend, dark brown hair, bire should leave the city whith twenty-four house.

TEXT.—Stidget Hallagen was arrested on Saturday by the Second Melecipality police, on the charge of stealing wearing apparel from Mrs. Taylor.

I havingon, I formation, I form

The Taylor Prespect in Chie.
The Whig sun slines brightly in Oble. The Cincinnati Atlas says:
""Of Ohio, we om say that every step taken in the actual convan shows the Whig prospect brighter. We know that in some of what are called diseffected country, the falling off of the

called disaffected countlys, the felling off of the Whig were in next to nothing. The felliot bax will aeronish those who supposed that the great Whig party of Ohio was to be moved from its firm moorings by every wind of new destrials. This Lastitution prevents singular advantages for the thorough acquirement of Fence's Prevent is the mother tongue of the mont of the pupils, and all the Teachers and other Officers are critically sonvered by Cass, above and beyond his malary, parades all the "communications, pay add critical the army. The wide difference is that Cass charged double and treble for his services, while Gen. Taylor never had one cent byyond. his realistic of the 2d Frepamory Chias, par de to the Cass.

we neve a more a consistent of the search of

striking several of the "Rangen." Some of them became, naturally enough, excited, broke the ranks and pursued their assistants, one or two of whom were cought, and, we understand, pretty severely involed. It is surprising that the democrats willnot suffer their opponents to conduct the canvals quietly and with good harmor. Democrated meetings and processions are never disturbed by Whigs: all that is asked, is, that our political antagonists should treat as with equal countery. The prisent contest is one of opinion only, and should not array Americans against each other, eave in the attagonism of argument and gasson.

one of opinions when the antagonism of argument and passon.

FATAL AFFRAY — A fatal affray took place on Saterday morning, at about 7 o'clock, at the corner of Philipps and Hevia streets, which resulted in the death of a man maned Patrick C. Daley. It appears this a young man by the name of Joseph B. Chandler occupied a house adjoining the premises of the deceased, and from the information we gather; there had been a quarret on the dyening previous between the from the information we gathet; there had been a quarrel on the evening previous between the two parties, during which Daley abused Chandler's wife. On Batterday morning Chandler attempted to coshibide Duley, and then attacked him with a kuile, indicting a nevere wound on Daley in the abdomen, from the efficers of which he died a few hours afterwards. Chandler was forthwith thate into cheedy, and will be brought up this morning before Recorder Golding. Departy Coroner Hopkins held on inquest on the hedy of the deceased at the Charity Hoppital; and the Justy returned a verdict in accordance with the above facts.

There was nothing on his person to give any clue to his identity."

The Wongmaner Movino.—A friend has sent to a phactra', containing a call for a meeting of the working men of Phomizville, Fernativant, who are favorable to the election of TAVIOR. Fittheomy, and Johnstros. The meeting is to be held on Sacratay evening wast, at six o'clock. The call is signed by anywards of one bundre, the call is signed by anywards of cone bundre, the call is signed by anywards of cone bundre, the call is signed by anywards of cone bundre, the call is signed by anywards of cone bundre, the call is signed by anywards of cone bundre, the call is signed by anywards of cone bundre, collects, pille centers, miles, and others engaged in the irms-works, as well as shoemakers, trickingers, carpenters, &c.; and our friends inform us that one-third of the memes are those of Destocring, who have determined to go for Taylor, Fillmers, and Johnston. This is a significant sign of the closes. The working men of Pethpylvonia are moving, and in the right spirit.—Phil. Inquirer.
