

BOARD OF ADMINISTRATORS

of
CHARITY HOSPITAL.

To the Hon. Senate and House of Representatives,

of the State of Louisiana.

In accordance with custom and the requirements of law, the Board of Administrators respectfully submit to your Honorable Bodies the following Report on the Condition and Management of the Charity Hospital of New Orleans, for the years 1859 and 1860.

During these two years our City has been more than usually exempt from its usual annual pestilential visitation. This year, however, we have experienced a severe attack of Yellow Fever, but the terrible losses have been lessened by the timely and judicious efforts of the medical profession and the troops have been greatly relieved by those who have come to our aid. We trust that the time will come when we can hope to open our doors again for those wishing to make a home for themselves.

With the following report we present the names of the members of the Board of Administrators, and the Vice President.
